Easter view from the Vicarage ...

Dear friends,

Easter is nearly upon us (Easter Sunday is on the 9th April) so break out the Easter eggs and Easter Bunnies! Although the commercialisation of Easter might be said to trivialise something that Christians see as a pivotal gamechanger in human history, I don't quite see it that way. Scratch the surface beneath both modern icons of Easter and you still unearth something quite profound. Eggs and bunnies both represent new life which is exactly what Easter signifies for all Christians. Recently in a forest in central America I read a sign that said "Here in this rainforest there is no death, only life in transition" speaking of the endless cycle of death and re-birth in the natural world. That same line might have been written by a theologian because what the resurrection of Jesus tells us is exactly the same message for human beings. It is a universally applied quality owned by us all simply by being part of the same created order as that rainforest.

"In him was life and that life was the light of all men" as it says in John's gospel. And that light cannot be overcome by darkness. Turn on a light in the middle of the night to see what I mean – light is greater than darkness – good is greater than evil – and life is stronger than death.

The first woman ever to be credited with writing a book – around 600 years ago -was an English Christian mystical writer known as "Julian of Norwich" (because we don't know her real name) and she wrote words in her book "revelations of divine love" that resonate down to this day that sum up the hope that Christians invest in the events of Easter Sunday, "All will be well and all manner of things shall be well".

Those words encapsulate the hope of millions of Christians before and since, that in life or in death, in the end, in the bountiful and gracious grace of God, we celebrate the fact that.

"All will be well, and all manner of things shall be well".

Happy Easter.

Martin

Friends of All Saints East Budleigh

Our purpose is to raise funds towards the maintenance of our ancient church and chuttyard

Meetings are now underway and work being undertaken to organise the Scarecrow Festival on 10/11 June which was first held 20 years ago!

As mentioned previously we would appreciate any offers of help. If you have any time on your hands and would like to be involved in this fun event, whether in the planning or just on the actual weekend, please do email us at friendsofallsaintschurch.as@rmcommunity.co.uk

We would especially welcome any ideas for new events or activities that contribute to an enjoyable weekend for everyone.

Meanwhile we have had some offers of talks for later in the year. If anyone has a good story to share and would like to support the Friends by making their presentation to an audience, we would love to hear from you.

There are many ways of contributing to our fundraising and many people already invest £12 a year in our 200 Club. Every month we have a draw with cash prizes of £40, £20 and £10 to be won each month! We had over 30 different winners throughout last year.

Please see the 200 Club form in this magazine should you wish to take up this option – by the time you read this it will only be £9 for the rest of 2023. You need to be in it, to win it!!!

This year will be the 20th anniversary of the Scarecrow Festival. I know, it is hard to believe. So here at Scarecrow HQ, we have racked our straw brains and come up with three ideas to make this year's Scarecrow Festival a little special.

A Scarecrow Catwalk - yes, that's right! We are encouraging everyone to dress up as a Scarecrow and take to the cat walk at 12 noon in the Village Hall on Saturday and on Sunday. You can be as glamorous as you like! There will be a prize for the most glamorous Scarecrow and a prize for the Scarecrow you would most like in your garden!

Idea number two, we would love to have a display of any photos you can share of the early Scarecrow Festivals up to and including to the year 2010.

Please contact us by email at the Friends of All Saints on friendsofallsaintschurch.as@rmcommunity.co.uk.

Idea number three, you will be able to get your very own Scarecrow mug this year! Just what you need for that refreshing cup of tea, coffee or turnip juice!

Finally, we have a small request. Our usual First Aider for the event is away at a wedding. If you are a qualified First Aider, please can you contact us by email at the Friends of All Saints on friendsofallsaintschurch.as@rmcommunity.co.uk.

Roger Conant Club

The Club has organised the 'Roger Conant Dinner' to be held on Friday 12th May at the Sir Walter Raleigh pub commencing at 7.30 p.m. The 3-course menu will be 'Conant-inspired' and, while yet to be finalised, will be along the lines of.... soup or an alternative dish/beef or loin of cod or a vegetarian option/two or three choices of dessert. Please let me know if you wish to attend the Dinner (stanmroberts@gmail.com). Partners are welcome, of course, but please make your reservations before 23rd April. The cost will be about £20-£25 per person for 2-3 courses.

On the same day, at 6.30 p.m., Simon Jupp MP will unveil a Blue Plaque commemorating the departure of Roger Conant from England in 1623. The Plaque will be situated on the wall of the Church Hall near the millstone. Once again readers are heartily invited to attend this event, the installation of the first Blue Plaque in East Budleigh! Drinks and nibbles will be provided in the Church Hall from 6.00 p.m.

Briefly, two other initiatives are being undertaken by members of the Club....

First, the historian and author Ian Blackwell is researching the life and times of Roger Conant for an authoritative book on the subject.

Secondly, already you may have seen the painting featuring Roger Conant on display in All Saints Church. The painting shows Conant in his thirties resolving a dispute between fishermen and militia. Now the same artist, John Washington, is in the process of producing two more paintings, one of Conant as a child in East Budleigh and the other of him in his later years with his family at his home in Beverly (Massachusetts).

Coronation Logo Explained

You're Invited

The events that have been organized will be publicized under a new official Coronation logo. On February 10, Buckingham Palace unveiled the design, which has been created by Apple's former chief design officer Sir Jony Ive and his creative collective, LoveFrom. "The emblem pays tribute to the King's love of the natural world, unifying the flora of the four nations of the United Kingdom; the rose of England, the thistle of Scotland, the daffodil of Wales, and the shamrock of Northern Ireland," read the accompanying press release. "Together, the flowers create the shape of St Edward's Crown, with which His Majesty the King will be crowned during the Coronation service at Westminster Abbey. The emblem has been designed using the red, white, and blue of the union flag."

Our Churchyards...

Churchyard Working Party

At our March working party, and with the help of a couple of volunteers earlier in the week, we managed to complete the essential works except for replacing sections of handrails. We aim to get the handrails replaced in the next few weeks. We spent time clearing the old flowers, Christmas wreaths and empty pots from the New Churchyard and Garden of Remembrance so that they would look good for Mothering Sunday (and for any early visit from the CPRE Devon's judges!).

The next three Churchyard Working Party dates are Friday: 21 April; 19 May; and 16 June. All are welcome so come and join us and we will find a task to suit you. We start around 10.00 with a coffee break at 11.00 ... biscuits and/or cake as well!

If you can't make a Friday but could spend an hour or two, please let us know and we can find you a suitable task or two.

CPRE Devon's Best Churchyard Competition

We have entered this competition again - we're the only one to have entered every time in six years! The judging will take place at any time between 1st April and 31st August.

To help us: If you see any litter, please pick it up and put it in a bin; and if there is anything needing attention, please let us know.

National Burial Ground Survey

As part of the Church of England's National burial Ground Survey, our PCC has agreed to have our Churchyards surveyed by AG Int'l Ltd. We believe that the surveying will be completed over the summer. AG Int'l Ltd will give two weeks' notice so that we can get the grass cut around all the memorials. There will also be separate visits for the register collection/return and memorial photography. This means that we will have to have an unscheduled cut around the memorials to ensure that the lower parts of the memorials can be seen when photographed.

The result of the survey will give us a permanent map and record of all the memorials in the churchyards, which will be available on-line. An example of the product of the survey work can be found at: <https://butterleigh.burialgrounds.co.uk/mapmanagement/#/>

Self-Guided Churchyard Trail

We have set-up a Self-Guided Churchyard Trail with 11 points of interest including wildlife features and some of the notable people buried in our Churchyards. You will find copies of the trail guide in a box in the Church porch. It is similar to last year's, but with some differences - we welcome any feedback.

Love Your Burial Ground Week: 3rd - 11th June

During "Love Your Burial Ground Week" (3 - 11 June) churches from all denominations are being invited to a week-long 'nature count' to monitor and celebrate the biodiversity in churchyards.

We have good records of the flowering species, sedges, ferns, grasses, lichens, bryophyte species (mosses), fungi and trees in the Churchyards; however, if there is anyone knowledgeable and interested in doing an insect count (or any other count) in the Churchyards sometime during the week, we would love to hear from you.

Do visit and enjoy the Churchyards – wonderfully welcoming, peaceful places for quiet contemplation and mindfulness and a haven for wildlife.

East Budleigh with Bicton Parish Council

The future of Salem Chapel

“Salem Chapel was a Dissenters chapel built in 1719 and enlarged in 1836. It has had a colourful history. Salem was initially a Presbyterian, then a Congregational chapel, before being briefly owned by the Assemblies of God. It was subsequently in private ownership in the 1980s, but fell into disrepair before being acquired by the Historic Chapels Trust (HCT) in 1998. The buildings were restored at a cost of £858,000 in 2005 with grants from the Heritage Lottery Fund, English Heritage, East Devon District Council, and a variety of other sources. Councillor Moyle was awarded the BEM for her voluntary work in assisting with this restoration. The Chapel is Grade 2* listed. A full history of Salem is available on the Ovapedia website.

The HCT manages 20 historic chapels throughout the country, of which Salem is one. In 2020, the HCT struggled to obtain ongoing grant funding from its traditional sources. This culminated in a one-off grant being made available to carry out certain priority repairs to some of the chapels, but also conditioned that the HCT must find new owners for the chapels before HCT ceases to operate. The aim is to disperse the chapels, including Salem, to safe and appropriate long-term ownership by others. Consultants have been appointed and a planned programme of dispersal is being devised.

In the meantime, the HCT has asked the Parish Council if we have any suggestions as to potential suitable ownership of Salem Chapel. This would preferably be organisations – or individuals, who are sympathetic to safeguarding the buildings as they are and can demonstrate suitable experience and resources. Consequently, if anyone within the parish, or beyond, can assist with this endeavour then we would be very pleased to hear from them. This is a significant moment in the history of Salem and its survival into the future.

Any comments would also be welcome as it would be useful to know our parishioners’ thoughts on this matter.” Councillor Derek Wensley, Chair: derek.wensley@eastbudleigh.org.uk 446563

Spring is now well underway with lots of colour in the Village to enjoy.

Our Plant Sale, which is our main annual fundraiser, is fast approaching and is on Saturday 20 May at the Village Hall. We will have the usual plants and garden paraphernalia outside and a cake stall and afternoon tea inside.

Please think of us for plants, paraphernalia and cakes; the more we sell, the better it is to swell the coffers for planting the Village!

ARTHURS BUTCHERS

Our long term partner, Arthur's have supplied consistently high standards of meat products for us for a long time. As lots of small businesses have, they are expanding their offerings to meet new tastes and trends.

They now offer a wide variety of fresh quiches available to order in both standard (family) size and the new single serving.

We have great varieties from Salmon and Dill to Spinach and Feta or Broccoli and Stilton. - to name just a few.

Their vegetarian pasties now include Curried Vegetable as well as the Apple and Cheese variety we have.

They also have a wider range of meats including Stuffed Lamb Breast, Beef Shin (perfect for a slow cooker), Ox Tail, Wild Game Pie mix and local Aberdeen Angus steaks.

Any of these can be ordered for delivery on any Monday, Wednesday or Friday (apart from bank holiday weeks when deliveries vary) - just give us a call!

HELPING THE COMMUNITY

At the Annual general Meeting in February, the members had a discussion about the best way to make use of the surplus generated by the Community Shop. Apart from the need to keep a sensible reserve to cope with any emergency or equipment failure, our constitution obliges us to use this for the benefit of the community. We are also making sure that we are in a position to improve facilities with the Village Hall in future developments.

Members voted to make a donation to the East Budleigh Tennis Club, and to set a sum aside to support the Sir Walter Raleigh Community Pub.

We are also helping our loyal customers by minimising price rises where we can, and absorbing increases in some basic items.

In addition, because of our sound finances, we are going to restore the original Loyalty Card value. Fill a card with a stamp for every ten pound spend, and eight stamps give an £8 discount on your next ten pound spend – a great saving of 10% overall.

The full Annual Report and Accounts are on the shop website at www.eastbudleighshop.co.uk.

Throughout March officers from Devon & Cornwall police rural affairs team have launched their annual campaign to highlight preventative measures to reduce attacks on livestock by dogs.

During 2022 Devon & Cornwall police received 140 reports of livestock attacks. A slight reduction from the previous year however within this number 220 animals have been killed or injured, and two dogs were killed.

These numbers are likely to be much higher due to under reporting and the longer term effects of an incident where the stress can cause a sheep to die or miscarry their lambs long after the event. It can often be difficult to attribute longer term issues to a specific incident.

When a dog is allowed to chase or attack livestock it is a criminal offence and can have a devastating impact on livestock, farmers and in some circumstances the dog and the owner. Crime data indicates an increase in reports at this time of year as the weather improves and as more people access the countryside, particularly during lambing. Crime data indicates an increase in reports at this time of year as the weather improves and as more people access the countryside, particularly during lambing.

We are hoping that by repeating this campaign we can remind people of the law and ensure responsible dog ownership. Dogs should not be unaccompanied outside of the home and their behaviour should be always managed. All land is owned, and access is not a given right, It is important that users of the countryside understand specific designations of land and rights of way, for example on land designated as access land a dog's must be on a lead between the 1st of March and 31st July and at all times when livestock is present.

If you witness an attack on livestock, do not intervene, keep yourself safe and call 999. All other information relating to attacks on livestock should be reported to the police online or by calling 101.

The rural affairs team have produced a short video highlighting the problem which can be found at the following link.

Help save Salem Chapel

As a community Heritage Centre

Too important to lose.....

Our Village has an immediate opportunity to acquire a Heritage Centre

East Budleigh has a phenomenal world history story with both Sir Walter Raleigh and Roger Conant born in and growing up in the village. The Chapel itself is historically important too. A new Heritage Centre in the Chapel will ensure it remains a valuable village asset open to all.

The unique Grade II* Listed Salem Chapel in East Budleigh built in 1719, is currently owned by the Historic Chapels Trust which will cease operations within three years and has announced that the Chapel is to be returned to community ownership/use. At this time, the conditions of any transfer are not known.

The East Budleigh History Group is working on a feasibility study of the Heritage Centre and this questionnaire will determine if the Heritage Centre is viable. It is important that as many questionnaires as possible are returned to help establish the level of community support.

East Budleigh has a successful track record with community-owned enterprises with the Community Shop and recently the Sir Walter Raleigh Community Pub. These have both been set up with the support of the charity Plunkett Foundation (www.plunkett.co.uk) and it is the intention to follow this route again. A Community Benefit Society will be set up to allow for a formal share offering to take place. There may be an option for another church trust to own and maintain Salem Chapel and grant use of the chapel to a community enterprise. This would be preferable.

The Heritage Centre would not compete with the village or church halls, shop or pub given its heritage remit and likely opening hours of April to October, 2-4.30pm. We need to know your views and what would receive your support. Your response will be treated in confidence. This questionnaire is entirely anonymous, unless you wish to add your name at the end.

Once completed, please place it in the box outside the East Budleigh Community Shop by Friday 21 April or call 0777 321 8582 if we can collect it.

The results of this survey will be published and presented to a public meeting on 24 April. We would also like to hear from you if you feel you could help in any way with the running of the Heritage Centre. There will be a wide range of tasks to be done from the initial setting up of the project to managing the enterprise and being involved in the day-to-day practical operation.

Time is short as the chapel will need to generate revenue during this summer to pay its way for ambient winter heating to prevent damp.

To speak directly to someone about this project please contact any member of the East Budleigh History Group or Maria Malinowska on 0777 321 8582.

Potential Share Offer - Community Benefit Society (CBS)

There are many community-owned enterprises supported by the Plunkett Foundation. A CBS is owned and controlled by a significant number of local people, typically over 100. They are governed democratically on a one member one vote basis, regardless of their investment made.

The share offer funds will provide the initial enterprise funding needs.

Thank you very much for taking the time to complete this questionnaire. Once completed, please place in the box outside the East Budleigh Community Shop by Friday 21 April or call 0777 321 8582 if we can collect it.

Poem by Victor Timmons

Nature's Philosophy

Nocturnal birds in sibilant causerie
Forest creatures in distant revelry
While nature's blanket dims their rivalry
And stills the air to peaceful reverie

How brief is this tranquillity
As hostile meetings in darkened
shrubbery
Remind, if only momentarily
That man alone enjoys in camaraderie

All the children enjoyed a fun filled World Book Day. They all looked fantastic dressed as their favourite book characters and enjoyed parading in the playground to show these to their friends. They also enjoyed a variety of activities including a live online lesson, creating bunting to hang in the school library and a book cover competition.

The children had a wonderful time on our British Science Day. We had a Bridge Building Challenge, Rockin Rockets and exploring Seismic Activity.

We were so proud of all the children who took part in the Link Academy Trust KS2 Cross Country at Stover School. They were AMAZING! They showed such great sportsmanship and determination and had so much fun despite the wet conditions.

East Budleigh Tennis Club

Like the other wonderful community assets of the village, the Shop and the Pub, the Tennis Club is for everyone to enjoy.

The Club is open to all. Membership fees are very reasonable and the Court can also be hired by the hour by non-members.

The Club is registered with the Lawn Tennis Association as a “Place to Play”.

Drakes School has a collective membership and can use the court freely for school activities.

Now is the time to get out on the court to exercise and enjoy our wonderful setting.

If you are a member please renew your membership, if you haven’t already. New members are welcome.

We will be repainting the court surface sometime in June but this should not disrupt our season. We would like to thank the Shop and the Parish Council for their support.

Please visit our website for membership and hiring details. <https://clubspark.lta.org.uk/EastBudleighTennisClub>

Budleigh Salterton Lions Club

With more volunteers in more places than any other service organisation, Lions step forward to tackle local community challenges wherever they occur throughout the World.

Budleigh Salterton Lions Club has just under 40 members from Budleigh, East Budleigh, Otterton and Exmouth.

In addition to supporting a range of good causes, charities and projects in our local community we also donate to LCIF's (Lions Clubs International Foundation) Disaster Relief Fund.

When a powerful earthquake hit Turkey and Syria on February 5, homes crumbled to the ground, hundreds of other buildings collapsed, thousands of lives were lost, with numbers increasing each day, thousands of people were displaced, and communities were changed forever.

When natural disasters strike, Lions are among the first to answer. Lions Clubs International Foundation (LCIF) quickly responded by awarding a \$200,000 Major Catastrophe Grant to Lions in Turkey. This enabled Lions to provide immediate, short- and long-term relief to victims of one of the largest earthquakes to hit the region in more than 100 years.

Within days of the earthquakes happening the first batch of Lions' Tents and Container Homes were being erected in the Earthquake Zone.

With this funding, local Lions who live and serve in the affected areas are participating in the immediate and short-term clean-up and repair efforts and will work with local organizations on long-term reconstruction projects.

Budleigh Salterton Lions Club immediately donated £500 to LCIF for the Turkey and Syria appeal and £500 to Shelterbox to provide tents, thermal blankets, mattresses, solar lights and water carriers. Budleigh Lions Club has been raising additional funds at their recent Bingo and Quiz evenings and has also set up a JustGiving page specifically for this disaster. You can be assured that 100% of your donation will reach those affected by this earthquake. If you would like to make a donation please visit <https://www.justgiving.com/campaign/BSLCTurkeySyriaAppeal>

Budleigh Lions Club President Richard Allen said "Once again I want to thank everyone in our local community for supporting all of our appeals. By donating to this appeal we can all make a difference and help support people Turkey and Syria who have lost everything."
