Friends of All Saints

Another cracking Scarecrow Festival in East Budleigh! Thank you everyone who took part, either by working on the stalls and activities, providing prizes and sponsorship, by making fabulous scarecrows or just coming to join in the fun and make it another wonderful community event.

We had a bumper crop of scarecrows again this year with lots of chuckles along the street as folks enjoyed the humour. There were lots of reminders about the link with the 400th anniversary of the death of Sir Walter Raleigh (paving the way for the dedicated special events later this summer) as well as other more current issues.

We set records this year for the number of ducks racing in the brook, the number of bacon rolls consumed and in fact we sold the last cream tea just as the kitchen closed at 4pm on Sunday.

It was lovely to see so many family dogs adorned by their rosettes after the dog show on Sunday and the number of people wandering amongst the classic cars and bikes up in the Vicarage garden.

There was a chance to be fascinated by the exhibitions of buttons and animal skulls and displays of arts and crafts in the church hall. Once again the owls and hawks and bug handling stalls were enticing and further down the village in the cool of the school there was an exhibition by local artists that generated a lot of interest.

The bell tower was open for trips to the top to enjoy the magnificent views over the village and East Devon countryside, to see the newly gilded weather vane whilst also giving an opportunity to learn about church bell ringing and hand bell ringing.

Meanwhile the Village Hall was throbbing with people browsing the stalls and enjoying refreshments. There was music and chatter throughout the day; the sound of folks enjoying a family outing.

The weekend ended with Songs of Praise in the Church and the packing up of the knitting exhibits ready for transport to Moldova by the charity CR2EE.

At the time of going to press, it appears we have raised around £4,200 which is another record breaking total and a huge contribution to our fundraising aims this year.

The organising committee would again like to thank everyone who made scarecrows and those who attended the event as well as the local businesses who gave their support and helped make it such a successful weekend.

With kind regards

Angela

on behalf of the Committee

View from the East Budleigh vicarage...

What a fantastic service we had on Wednesday 13th at St. Peter's for my institution. Everybody played their part, the hymns were sung loudly, and there was a palpable sense of hope and expectation in the air.

Louise and I, including my daughter Claire and my mother and father in law, David and Linda, were bowled over.

Bishop Robert in a lively and humorous sermon talked about many things but to my mind kept coming back to three main themes; relevance, unity in diversity, and mission.

We all need to ponder what it means in practice now that the dust is settling.

We are a community of equals and each in our own way should have a common factor binding us together – the saving grace of God made flesh and blood in the life, death, resurrection of Jesus Christ and the pouring out of God's Spirit on us his church.

We are a body made up of many different people with different strengths and gifts but we are one "Raleigh Mission Community" where St. Michael's, All Saints and St. Peter's are all equal constituent members.

Now I've just conducted my first service at St. Peter's this morning, so the nerves have subsided slightly because nobody walked out, objected to anything, or threw communion wine at me so I'm guessing that it was at least OK?

Of course it won't all be plain sailing and there will be battles ahead, which is to be expected because when the Spirit starts to move in a church, our opposition takes notice and starts to make mischief. But as part of my sermon this morning said, we have to grow a backbone and stop complaining that we aren't as popular as we used to be, that society has rejected us and no-one is listening anymore and stand proud and live a distinctive lifestyle and do it courageously.

This is what the Bible calls "Holiness". And as Peter said in his first letter about us....

"But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light."

Love and peace,

Martin

Square Circle

We had a very good result from our stall in the church porch during the festival and were able to donate £300.75 to CR2EE. This will help buy diesel to drive the lorries to Moldova.

I am always asked how many blankets etc. we made this last season so the rough totals are: -

Blankets....44 including a few knee ones, Jumpers.....128, Hats.....87, Scarves.....20.

We have also made socks, gloves, toys and various other items which we have sold at the Budleigh Flower Show. We have a regular circle of knitters who meet every Wednesday between October and Easter and also a group of 20 home knitters. If anyone reading this would like to join us in the autumn in the church hall from 2.30 to 4.00 pm we should be pleased to see you. We are ALWAYS ready to receive any spare balls of wool. Keep knitting! Janet Lovett 443141

Church Matters

We have a number of opportunities:

We need a cleaner for the Church Hall – see advert on page 9.

We need new volunteers for the roles of PCC Secretary and also PCC Treasurer as Richard Eglin would like to step down due to his extensive work commitments.

If you are interested in any of the above, please contact Paul Kurowski on 01395 742942 or pandp@kurowski.me.uk

Churchyard

Huge thanks to all the volunteers who turned out on the Thursday and Friday before the Scarecrow Festival and made the Churchyard and Church Hall areas look so neat and tidy.

The next regular volunteer session is on Friday **July 20th at 10am**. We meet by the shed in the old churchyard, and stop for refreshments around 11am. Plenty of jobs for everyone, tools supplied.

Anyone still interested in adopting a grave please get in touch with me. We have had a good number of volunteers already, but there are very many graves in need of help!

WHAT'S NEW!

SUN PROTECTION For many years we have been asked to stock sunscreen, but we have always struggled to find something not too pricey but good quality! We have finally found what we needed and now have in store Factor 30 sunscreen (suitable for children too), 4* rated and at a cost of £2.75! We also have Aftersun at the same price, with the added bonus of 33% extra free!!

SPECIALIST TEAS We have now have in stock a range of lovely Hampstead Tea Company flavoured and specialist teas. You can choose from green, peppermint, fennel and liquorice, lemon and ginger or, camomile teas. All organic products too!

SANDFORD ORCHARD CIDERS

Many of you will know that we already stock two of Sandford Orchard's popular ciders – but we have now increased the range to include Devon Red, Fanny's Bramble (with Blackberries) and Old Blossom (with Elderflower). These are fabulous drinks and very refreshing on a warm summer day!

We also have a limited supply of their 5 litre cider boxes of Scrumpy! These are brilliant if you are having a BBQ or summer party – but also store well if you want to keep it to yourself for a few evenings!! Need I say more?

RALEIGH 400

BLACK TOR BREWERY has produced a special edition beer to coincide with this year's celebrations of the life (and commemorate the 400 year anniversary of the death) of Sir Walter Raleigh.

This is called **RALEIGH 400** and we are lucky enough to be able to stock it bottled for your home consumption. It's already proving popular and I'm sure this will continue throughout this year of celebration.

We stock a great range of other locally produced craft beers as well.

SUPPORTING LOCAL CAUSES

We all really enjoyed the Scarecrow Festival in aid of the Friends of All Saints, and the Community Shop is always keen to support local good causes and events.

Do let us know if you want us to publicise activities, sell tickets, donate raffle prizes, or offer support in any way that we can.

Drakes Primary school

In school, we are in the season of end of year assessments (both internal and external) and report writing.

However, there are many broader activities going on this half term alongside the formal lessons. These include trips for some of the children, sports day for everyone and the summer production (this year, "Ali Baba and the Bongo Bandits").

The teachers are busy working collaboratively on preparing the curriculum for next year. The SLT and Governors are currently prioritising developments in our school regarding our ICT equipment and wrap-around care.

So, we have a busy few weeks until the end of term, and we hope that you will be able to join us for some of our events, full details are on the school website, www.raleighfederation.org.uk

KITH AND KIN WELCOME

Snippets of old East Budleigh with Bicton by Gerald Millington...

During the 18th/19th centuries cider making provided a lucrative income for many farmers and other village people. Their smaller arable fields were cultivated as apple orchards. East Budleigh had a few farms in the village of which Hill Farm, Hayes Lane; Pulhayes and Wynards had orchards. The latter's trees were near the house in the High Street facing south in two fields covering 3 acres. Pulhayes Farm only covered 50 acres of land - no trees. To the south was another farm of 78 acres called Leatts Tenement which had the orchards, in 1868 they were grouped together. It is not known if the three farms had Cider Mills.

Villagers living in High Street, Middle Street and Lower Budleigh also had orchards behind their cottages. 16 are recorded in the 1790 Survey between $\frac{1}{2}$ and 1 acre. Inns and beer houses sold cider and hucksters sold door to door.

Little Otters

It was with great sadness that the management committee of Little Otters made the decision this week to close the pre-school at the end of the Summer term 2018.

The decision comes as a result of falling child numbers and insufficient income to make the business viable on an ongoing basis. The committee and staff would like to take the opportunity to thank the staff and Governors of the Raleigh Federation for the warm welcome received in both schools and the great support given over the last 12 months.

Big thanks also to the very many residents and businesses of Otterton and East Budleigh who have supported the pre-school over the last 35 years, the staff and countless children have benefitted so much from being part of this wonderful community.

PLANTATION

GARDENING

Testimonials

Is the garden getting too much for you? Well, there's no need to worry or sell your house. Just send for Tom and your garden will be transformed.

Denis and Diana (an elderly couple)

Thanks Tom, the hard work from you and your team coupled with your expert knowledge and ideas is transforming "Seaway" from a rather nice garden to something stunning that we know we will enjoy for many years.

Dorothy & David, Exmouth

'I have no reservation in recommending that if anyone has a jungle which they want transformed into a garden, then these are the people to do it.'

P.W Frewn- Smith, Exmouth

'We employed Plantation Gardening to dig out and replace an old hedge with a new beech hedge. Tom did a thorough and professional job, on time and on budget. We would definitely use Plantation Gardening again.'

East Budleigh with Bickton WI – June 2018 meeting report

The June meeting of the East Budleigh with Bickton WI was opened by our president Pam Terry, followed by the singing of Jerusalem. Institute business followed including updates for our regular groups, craft, walking, skittles and swimming.

A group of members visited Cadhay House and gardens, when we had a guided tour with Dave, one of the gardeners. We had a very informative and interesting walk around the beautiful gardens and lake, followed by tea and cakes. We are now looking forward to our visit to Dartington Hall and gardens on Friday 15th June.

A group of members served cream teas and drinks at the May Day celebration for Drakes School, and we had a successful stall at Budleigh Salterton's Gala week. We also had a very successful bric-a-brac stall in the village hall for East Budleigh's Scarecrow Festival, thanks to all who donated items.

We were entertained by the Sidmouth Steppers Ladies North West Morris dancers. They were formed in 1998 following the 45th Sidmouth International Folk Festival. Most of the dances that the Sidmouth Steppers perform originated in the North of England and were performed by mill workers at holiday festivals and in processions. They danced with Bobbins which were original pieces from the mills, sticks with bells attached, and hoops which were beautifully decorated in red, white and blue to match their outfits. WI members joined in dancing the "Shrewsbury Flourish". It was a lovely, lively evening which was enjoyed by all.

On Wednesday June 27th 7-9pm East Budleigh with Bickton WI is hosting a group meeting of the other WI's we are linked to in this area. The speaker for the evening is Shelley Tobin, costume curator at Killerton House. The next meeting is on July 10th and the speaker is Peter Cripps, "The Queen's Trumpeter". The WI meets on the second Tuesday of the month 7-9 p.m. in East Budleigh Village Hall. New members are always welcome, come and join us for the evening.

Farms and fundraising. Last month the farm team enjoyed a very successful Open Farm Sunday welcoming over 400 people to Otter farm, for tours of the dairy to show them where their milk comes from. Thank you to the many local businesses who supported this event helping us donate £120 to our chosen farming charity, the Farming Support Network.

Other charitable activities Clinton staff are taking part in over the next few weeks include an all-female team walking 10 miles for Hospiscare and eight cyclists who are riding in the Nello event for Force.

Around 200 pupils from seven local primary schools including Drake's and Otterton have been working on a project to learn about food, farming and wildlife. They will come together at Bicton Arena early this month to compete for the Farming and Wildlife Advisory Group Kingfisher Award Trophy and prize money for their schools. Good luck to all competitors.

Heath Week 2018 Later this month the commons will be the focus for events once more as the Pebblebed Heath Conservation Trust join with teams from our heathland partners; the RSPB, the Devon Wildlife Trust and EDDC Countryside and gear up for another action-packed Heath Week.

Starting on Sunday 29 July with the Family Festival Day at Woodbury Castle and continuing until Sunday 5 August there is something for everyone, whatever your age or whether your interest are in the heathland ecology, its history or in getting active outdoors. Choose from over thirty individual events, many of them free. Flyers will be available at libraries, Tourist Information, local shops etc. and full event listings and booking information can be found at www.heathweek.org or facebook.com/heathweek

Throughout the week join family friendly events (29 & 31 July, 1, 2 & 3 August) daytime and evening talks or guided walks (something every day) to learn about the landscape history (30 July and 3 August), how our grazing animals benefit the heathland habitat (31 July) or the ever-popular Nightjar safaris (31 July and 1 August).

You can also join practical volunteers for a work party and lend a hand in the management of the heaths (Wed 1 August). Another new event for us this year will be our Dog's Breakfast (10am-12pm Saturday 4 August) which celebrates our work with Devon Loves Dogs and local dog owners to ensure they know why it is so important to exercise their dogs in this important place responsibly. There will be a short Waggy Walk and plenty of sausages for all our humans and canine friends!

Wildlife and livestock attacks Finally, and despite regularly reminding local people of the need to exercise their dogs responsibly in the countryside; several reports have been received of dogs worrying wildlife on the Otter Estuary and heifers, grazing Anchoring Hill above Otterton.

A number of our young cattle have bite marks and minor injuries. Estate staff will put up signs for visitors to highlight the serious impact harassment can cause livestock but need local dog walkers to do their bit too. Always ensure your dog is under close control and you both stick to the public rights of way. Anticipate and assume livestock may be grazing fields around any of the farms in the area at this time of year and do not ever allow your dog to chase and harass cattle.

East Budleigh in Bloom

"Summer, summer there will always be a summer, as summer is the time when one sheds one's tension with one's clothes", and life smiles.

We have arranged a special visit to Lee Ford Gardens on the 23rd of July; tickets include a tour and tea. The tickets, limited, were on sale at the Scarecrow Festival plant stand. If there are any left and you would like to go, please contact Helen Wood, Tel 442856.

The East Budleigh in Bloom committee have elected a new chairman, Helen Wood, a new treasurer David Conner and a new secretary Jon Roseway; I, Sue Marrs, will continue as press secretary. We are a committee of 7 persons all dedicated to bringing flowering plants throughout the year to the village of East Budleigh. This would not be possible without the wonderful help we get from our volunteers planting up and watering. We would welcome anyone who would like to help us maintain the pots, planters and beds so please come to our AGM in October [date and details posted later] where all the information will be available.

"What grows in the garden, so lovely and rare? Roses and Dahlias and people grow there."

From the TV show, A Gardeners Diary.

East Budleigh Match Reports

Jack Howarth was clinical in front of goal, scoring six times as East Budleigh ran out winners in a twelve-goal thriller against Newtown

Budleigh led 6-0 ten minutes into the second half, but the visitors made a game of it in a frantic second half.

Five minutes in, Liam Mabin picked out Dan Atkinson; he laid the ball off for George Harris whose left foot centre was converted by that man Howarth.

Six minutes later, Liam Matthew's shot was tipped away for a corner and from the resultant Harris kick Atkinson headed back and Howarth stole in to nod home.

The treble was complete on 17 minutes; Hugo Demetre sprayed a fine ball out to Harris whose peach of a cross was swept home by Howarth
Budleigh's fourth saw Howarth turn provider for Atkinson, who unleashed a superb long-range shot into the roof of the net.

On the half hour Budleigh went nap [STEVE - what does 'went nap' mean?]; Mabin swung in another well struck corner and when the ball dropped for Howarth he crashed it home.

The second period started like the first with Matthew and Harris both denied by the away keeper, before Budleigh added a sixth; Howarth picked up a clearance from Joe Day and showed all his composure to slot home his fifth with a cultured finish.

Two minutes later the visitors pulled one back and suddenly there was panic in the Budleigh defence! Two more goals arrived before Howarth struck again when Matthew squared for him to score.

Newtown threw everything into a final 15 minutes and managed to score twice more to complete a crazy, but entertaining, end-of-season fixture.
