Dear friends,

Writing something in advance is treacherous these days because by the time you get to read this, everything could have changed but here goes regardless.

The U.K. wide lock down restrictions are loosening by the day only needing to be applied in specific areas. So far (!) the South-West has been barely touched in comparison with more densely populated areas, something to be truly thankful for.

The three Church of England churches in Budleigh Salterton, East Budleigh and Otterton are open for public worship on Sundays again and it becomes immediately apparent who and what you have missed. Normal, everyday things like having a drink in the pub, a meal at a favourite restaurant, and for me, seeing all the happy faces in church again for the first time in ages.

The Rhythm of our lives has been interrupted and we are busily getting back with the beat. Going to church is a habit like any other habit. Having a healthy set of habits is no different for our spiritual wellbeing than it is for our physical wellbeing and mental state.

“Healthy body healthy mind” is an old adage to which I would add “healthy spirit” to include the whole person. For a flourishing life one needs to look at oneself holistically.

Developing a healthy set of religious habits which may include private prayer and communal worship does for your spirit and mental health what gym membership does for your physique.

It builds you up and you develop spiritual strength and resilience. And you certainly need that in life. Jesus never promised anyone an easy life. Having lived one himself he could say with perfect confidence “In this life you will have trouble, but take heart for I have overcome the world” (John 16:33)

Love and prayers,

Martin

The Church Matters

Following All Saints' Church opening on Sundays for individual private prayer from Sunday 21st June, the Government, the Diocese and the Church of England took the next step of allowing churches to open for Sunday services with effect from 4th July. Due to the constraints within our Church, the PCC had to: assess how many people we could seat at social distances; assess how people could move around the Church as the aisles are all less than 2m wide; complete a new risk assessment; consider opening on another day for private prayer; and identify any additional cleaning requirements.

Consequently, we decided start Sunday services on Sunday 12th July and have the Church open for individual private prayer on Wednesdays. We sent e-mails, updated the website and put up notices around East Budleigh about the opening times.

On Sundays, the Church is only open for the service and, on Wednesdays, it is open from 09.00 to 19.00. If you would like more information about either of these, please contact me (details below).

The "Support during Lockdown" page on the RMC website provides all the current information:
www.raleighmissioncommunity.org.uk/support-during-lockdown.html and for the latest news, activities/events and information:
www.raleighmissioncommunity.org.uk/

- the "Latest News" is towards the bottom of the Home page.

The RMC churchwardens will have had a meeting on 29th July to: provide feedback on the church opening arrangements; review the services in the churches; and plan services for the rest of the year for sanction at a Joint PCC meeting in September – you will be able to see the outcomes on the RMC website
www.raleighmissioncommunity.org.uk.

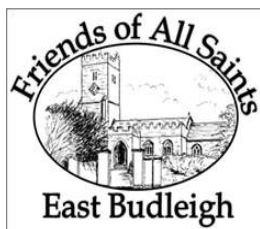

PCC

If there is anything that you wish the PCC to consider, please let one of us know. The current PCC members are:
Vicar and Chair: Rev'd Martin Jacques
Associate Priest: Rev'd Karen Young
Churchwarden (ex officio): Marilyn Hobbs and Paul Kurowski
Secretary: Penny Kurowski
Treasurer: Maria Malinowska

Friends of All Saints' Church

2020 Events

The Friends' Committee met virtually on Monday 6th July – there is not much to report as we cannot hold events involving a lot of people in one place. Some ideas were discussed for further development which could

involve socially distance walk-and-talk in the Churchyard.

The final decision about the University of Exeter Chapel Choir's Christmas Concert, planned for Friday 11th December, will be announced in the October Parish News, on the website and through social media channels.

Parish News

Thanks to all the distributors of the Parish News.

We are in the process of re-confirming with our advertisers and we thank those that have signed up with us again and we welcome new advertisers.

Without the advertisers and regular distributors, delivering a free copy of the Parish News to every household in the Parish would not be viable – a massive 'THANKS' to all of them and to the editorial, proofing and production team.

The Parish News is always available on the RMC website:

www.raleighmissioncommunity.org.uk/east-budleigh-parish-magazine.html.

Friends' Fund Raising ... forecast is £0 for 2020!

Without the Friends' events and activities generating money, we have advised the PCC not to expect any funds for work on the Church in 2020.

You can support the Friends by joining as a Friend and/or entering the monthly draw in the 200 Club and/or making a donation – for details of how to do this and information about the Friends, events and brief updates see: www.raleighmissioncommunity.org.uk/friends-of-all-saints.html.

If there is anything that you would like the Friends to do / try, please let us know by e-mail: friendsofallsaintschurch.as@rmcommunity.co.uk.

EAST BUDLEIGH GARAGE - CORONAVIRUS UPDATE

We are pleased to say that we are now open Monday to Friday 8.30am to 5.30pm.

However, there will be times when the reception is not manned. If you should ring and are not be able to speak to a member of staff, please leave a message on the answerphone, 01395 445595, and we will call you back as soon as possible.

As always, should you require urgent assistance you can phone our Emergency Number 07709413323.

WE THANK YOU ALL FOR YOUR UNDERSTANDING DURING WHAT HAS BEEN
A VERY DIFFICULT TIME FOR EVERYONE.

East Budleigh Tennis Club

How COVID-19 changed the tennis club.

Our AGM coincided with the beginning of the lockdown. The committee decided that as the court might be closed for several months we would not make any charge to members or to the public for using the court this year.

As the extent of the lockdown increased it was decided that in the event of reopening we would have to put in place new booking and playing arrangements. When the restrictions on tennis were removed at the beginning of June we opened the court and limited use to members only. Precautions were taken to protect members and to comply with the government and LTA guidelines. In addition we introduced online court booking. We were one of the first tennis courts to reopen and our membership dramatically increased because people wanted to exercise, it was free to join and had online booking facilities.

Membership is now in excess of 120 including many families in the village.

One sad aspect of the new changes was giving up the booking desk at Monty Elliott's. Monty has supported the EBTC since its beginning in 1977 and has always enjoyed seeing members and guests come to Battlesdon to book the court. Monty will miss the contact but we feel that he must be protected and our members have found online booking a boon. Membership of the club is now restricted and we will be unable to allow guests to play during the summer. However, new membership remains open to local families and former members who have not renewed so far this year.

All Saints East Budleigh Church Hall

Following Government and Church of England guidance, we had to close the Church Hall in March. Recent developments mean that we can look at opening the Hall subject to all the guidance, restrictions and requirements to provide a safe environment for everyone. We are working with our regulars to, hopefully, open the Hall for use from 1st August - please check with your class providers and the website: <https://www.raleighmissioncommunity.org.uk/church-hall.html>.

Raleigh Mission Community website

Thank you to Penny Kurowski for all the hard work she has put in to maintaining and improving our website for so long. The baton has now been passed to Lucinda Stuart-Banks at St. Peter's, our new webmaster. For any contributions to the website the email remains the same... website@rmcommunity.co.uk. Welcome to the job - Lucinda!

East Budleigh with Bicton Parish Council

After jumping through several hoops in respect of Health and Safety, the Council has now opened the public toilets. Additional daily cleaning and sanitising procedures are in place. Unfortunately, this unexpected event was not budgeted for, so the Council is searching for grants to cover the shortfall.

A meeting took place with a representative from the Planning Department about replacement of trees in front of the phone mast. We have emphasised the importance of getting this planting done in the Autumn and hope that Vodafone will now meet their obligations.

Councillor Fiona Ward has begun the task of working on long-term plans with Clinton Devon Estates to plant more trees and potentially introducing Nature Trails to inform walkers of the abundant wildlife around us. This is early days and in due course the public will be consulted. Councillor Walters is also working on updating our Emergency Plans.

Live Council meetings are still proving problematic. There are no meetings in August, so hopefully we might be back to the "New Normal" in September. But all our decisions and reports are available on the website.

Finally, we still have a vacancy for another Councillor. We need someone who is prepared to be very active with reasonable IT skills, who will take on tasks to protect and improve our Parish.

Clerk: Judith Venning clerk@eastbudleigh-pc.gov.uk 01395 489155.

Our Churchyards

Churchyard Volunteering

The proposed Churchyard volunteering sessions have proved to be quite popular with 11 coming to the session on Friday 19th June and a 11 on Friday 17th July within all the latest constraints, eg, social distancing and bringing our own tools.

So far this year, 22 people have volunteered in the Churchyards ... our thanks go to everyone as there is always plenty to do!

Our thanks also go to all those who come up and do work at other times, eg, strimming and tidying the Garden of Remembrance, painting the edges of the steps and removing the vegetation in and around the memorials close to the Church.

Following a suggestion to have two sessions per month to try and catch-up on some of the work, we plan to have sessions on the first and third Fridays in August and September. Anyone can join in ... we meet by the shed in the old Churchyard ... bring your own tools and refreshments and we'll let you know **what needs doing!**

The dates are: 7th and 21st August and 4th and 18th September.

Wild Life – going Bats!

At 21.15 on Thursday 16th July, we met up with Kate Ponting and Sarah Butcher, a bat expert, to find out which bats, if any, fly around the Churchyard. Sarah provided guidance on using the various detectors ... Sarah's detector clipped onto her iPad was soon picking up and recording the bats. We detected five of the 16 bat species in Devon (18 in the UK): Common Pipistrelle, Soprano Pipistrelle, Serotine, Noctule and a Myotis (variety to be confirmed by Sarah). We had several sightings of the Pipistrelles in the Churchyard. There may have been a far-off Barbastelle (to be confirmed). As we were having so much fun (!), around 23.00, we strolled up to the Recreation Ground and detected a Brown Long-Eared bat.

Please visit and enjoy the Churchyards – they are wonderfully peaceful places for quiet contemplation and a haven for wildlife

Larder report : July 2020 - looking ahead

In April, May and June demand on the Exmouth Community Larder has been 2.8 times the previous year. Supplies valued at £21,000 were delivered, based on costing the packages we give out at the best prices we could buy. Donations of food have provided 80% of that need; cash donations have more than made up the difference, adding to our reserves. Because of this we have not applied for any special grants.

Our greatly expanded volunteer staff are paid nothing, but with the many shifts they could cost up to £15,000 over the 3 months if paid at minimum rates - so the credit should go to our volunteers as well as to our donors!

Looking ahead, the end of "Shielding", the phased end of "Furloughing" and likely growth in "Universal Credit" can create a frightening increase in the scale of the problem. Universal Credit usually leaves claimants with five weeks of nothing, followed by an income far below previous expectations without relieving the monthly expense of long term contracts and debts.

The Larder currently has many small shifts to spread the load and keep workers well distanced; there are lots of people who offered to volunteer but have not yet been called into active service. So the expectation is that more people, more shifts and maybe more people working per shift as the 2m distance rule is relaxed, will enable The Larder to rise even to a massive challenge. However, this does depend on food and cash donations coming in at their present level or increasing!

We rely absolutely on the support of the whole community of Exmouth and surrounds Exmouth, Lympstone, Exton, both Woodburys, both Budleighs and Otterton and places in between, from where donations come and where we currently deliver. We even have some donations from ex-Exmouthians, now moved away! **If that support slows down or dries up, we would need substantial help - the total need is now valued at more than £7,000 per month, as outlined above, and will very likely increase. So we are MOST GRATEFUL TO THE WHOLE COMMUNITY!!!!**

Village Hall Update

I am very pleased to say that we are confident of being able to re-open the Village Hall and play area on the Village Green with effect from the 25th July. As you can imagine there has been quite a considerable amount of preparation work to get to this stage and I hope to put forward proposals for re opening to the Trustees at our meeting on 21 July.

All our friends and hirers will be contacted over the next few days with details of the inevitable Covid 19 Secure guidelines which we have to follow and the temporary changes to terms and conditions of hire.

However I am sure we all will make allowances so that the Hall and play area can re open, if in slightly different format, but for the benefit and well being of us all.

On another topic can I add my thanks to the excellent efforts carried out by the East Budleigh in Bloom Volunteers in completely renovating the flower border next to the Shop which was in a very sorry state.

The result is both very attractive and will provide a range of herbs for the benefit of all.

Finally there is a vacancy for a Trustee and Treasurer on our Committee. We have a great group of Trustees and the involvement in the Village Hall is both interesting and rewarding.

Please give these roles some thought and if any one would like to chat over the roles and responsibilities please give me a ring.

Chris Dearsley,
Chairman,
Village Hall
Trustees.

EAST BUDLEIGH IN TIMES PAST - YOUR DAILY PINTA by Betty Pyne

This appeared in the East Budleigh Parish news in February 1998 but I don't suppose many will remember it!!

Before 1924, it was the custom for the residents of East Budleigh to collect their milk from Mr. John Carter at Wynards Farm. He left the village and went to Bicton Farm and, about the same time Betty Pile and her sister, Gir left school and came home to live and work with their parents Sam and Alicia at Pulhayes Farm.

Until that time, the dairy herd of about 20 cows, a mixture of Devons, South Devons and Red Devons, were managed by Mr Dagworthy. He looked after them, milked them and then sold the milk to a Bessie Barns in Budleigh Salterton. The arrangement was called "letting the dairy". Barns Road takes its name from the field, now built on, in which Bessie kept her pony, this being the only means of transport that tradespeople had in those days.

When Mr Dagworthy left Pulhayes, Bet and Gir took over the milking and started their own round in the village. The milk transported in churns by pony and cart and the villagers would bring out their jugs to be filled. This practice continued until the early 1950's when the milk was bottled. "Peter", the pony that used to pull the milk cart, often had to be kept in the stable overnight because he would be difficult to catch in the field first thing in the morning!

Betty Pile married Arthur Pyne in 1931 and Betty moved away from Pulhayes to farm with Arthur at Greendale Farm, Woodbury Salterton. On the death of Betty's father Sam they returned to support Alicia, to carry on with the farming at Pulhayes. As well as milk, cream and butter were made on the farm and sold along with eggs from the farm's chickens. Surplus scald milk was fed to the calves.

Gir left the farm later to join the army and became a F.A.N.Y. First Aid Nursing Yeomanry.

Muriel Bolt helped Arthur Pyne with the milk round from 1952 onwards. Always after the round was finished all the empty milk bottles had to be washed and left clean and ready for the next milking.

Eventually the milk round was taken over by Cyril Hayman at Thornmill Farm and then later by Express Dairy.

East Budleigh Community Shop

Newsletter Number 125 - August & September 2020

SHOP NEWS

We are steadily working our way back to normal working, and carefully building up our volunteer roster. The shop is now open from 9-5 on weekdays, 9-2 on Saturday and 9-12 on Sunday and newspapers are now paid for in the shop, by token or contactless card.

Under the Health Protection Regulations 2020 it is mandatory for face coverings to be worn by customers in the shop, and we have a very good stock of these.

We do have some customers who are isolating, so we will continue with our collection/delivery service as long as necessary – please phone 01395 445550 any weekday between 9-11 to arrange.

Our popular Loyalty Cards are now back; we have had to cope with increased costs, so the redemption value is now £5 – still a remarkable bonus for regular customers.

NEW HERB GARDEN

Thanks to East Budleigh in Bloom we now have a lovely herb garden by the shop. This is a huge improvement to a very untidy area, and will be greatly appreciated by our customers.

The herb garden has been sponsored by the Village Hall and by the Community Shop. It will be looked after by East Budleigh in Bloom members.

TO ALL OUR LOYAL CUSTOMERS

As I write this we are in the early days of welcoming customers back inside the shop, extending our hours week by week, and making newspapers available again seven days a week. We are very proud that, during lockdown, we were still able to provide for all of our customers who wanted to use our collection and delivery service. We had so many lovely messages (and cards and gifts!) during that time from villagers who needed that help, and we appreciated every single kind word. Thank you, it really helped us keep going!

So what has changed in the shop? Apart from the obvious changes – the protective screen for our volunteers, the provision of hand sanitisers and our socially distancing rules – the heart of the shop remains as it always has been – to provide a well-stocked and reasonably priced local facility for villagers, visitors and passers-by.

We do this by having a range of suppliers – some stock comes from the larger wholesalers but much of our produce comes to us from local and West Country small businesses and it is this partnership that makes us different! So you can come to us for your tins of baked beans, packs of pasta, rice or toilet rolls but you can also get meat from a local butcher, fish from the fishmongers, bread from a multinational or two local companies, honey produced just down the road, scones and preserves made a village away... the list goes on.

So, if you are looking to really help the local economy – come and use us and help those many local producers and suppliers who are, right now, struggling to cope with the aftermath and cost of the pandemic and build back their customer bases.

Mel Ferrers, and the Management Team.

East Budleigh in Bloom

Mission accomplished! The community herb garden project, funded by the Village Hall and Community Shop, went ahead at the end of June on one of the hottest days of the year. We are pleased with the result and hope that everyone will enjoy seeing and, next year, using all the different herbs. We plan to fill any gaps with some more varieties as time goes on.

We are planning to hold our AGM in the autumn, the date to be announced in the next edition. We will organise some form of fund raising event on the same day, but we are, of course, unsure of what we will be allowed to do by then.

Enjoy our pretty floral village. Happy gardening!

If you have any queries please contact the secretary, Jon Roseway, 01395 488739.

East Budleigh with Bicton WI

We have put meetings on hold until September at the earliest, and the committee are staying in our posts until the situation improves.

Meanwhile we continue to send all members a monthly newsletter email (hand-delivered to those with no email). For July, in addition to a "Flower of the Month" competition, we sent out a quiz on local towns and villages, and held an Acrostic competition - see the results in the next Parish News. The winner of the June Flower of the Month competition was Elaine Whitehead's poppy.

Testimonials

Is the garden getting too much for you? Well, there's no need to worry or sell your house. Just send for Tom and your garden will be transformed.

Denis and Diana (an elderly couple)

Thanks Tom, the hard work from you and your team coupled with your expert knowledge and ideas is transforming "Seaway" from a rather nice garden to something stunning that we know we will enjoy for many years.

Dorothy & David, Exmouth

'I have no reservation in recommending that if anyone has a jungle which they want transformed into a garden, then these are the people to do it.'

P.W Frewn- Smith, Exmouth

'We employed Plantation Gardening to dig out and replace an old hedge with a new beech hedge. Tom did a thorough and professional job, on time and on budget. We would definitely use Plantation Gardening again.'

Otter Valley Association

We are going to start offering local small-group walks comprising a walk leader plus 5 walkers maximum.

The next walks will be posted on our website www.ova.org.uk and interested walkers will need to email feredayh@gmail.com requesting a place on the walk offered. Please include a contact telephone number. I will let people know by email if they have a place on the next walk. When we have reached the maximum number of 5 walkers, the walk will show 'fully booked'.

We will be adhering to the current Covid-19 guidelines which are valid on the day of the walk without exception. No-one will be allowed to just turn up without an invitation.

CLINTON DEVON ESTATES

Do you have a picture that captures the 'Spirit of the Heaths'?

This summer, as many of us have enjoyed more time to explore and connect with the landscape, the Pebblebed Heath Conservation Trust (PHCT) team are excited to launch a new and exciting project, asking for a photo that captures what is so special about our heaths.

'The Heaths and Me' aims to explore through photography, the range of experiences and feelings we have on or about the heaths and asks our many visitors to define exactly what this place means to them.

As land managers, alongside our heathland colleagues at the RSPB and Devon Wildlife Trust we understand what makes the Pebblebed Heaths special; the habitats that are present, the wildlife they support and the historical features that are under our care. We also put a good deal of thought into how we engage with people to enable them to understand why the heaths are important and how to help us care for them. But with this project we want to dig deeper into why the heaths are important to the people that choose to spend time here. We recognise the strong sense of connection between local communities and the heaths. But those associations are diverse and not always tangible or simple for people to explain. But these often-overlooked details are important and help make up the story of the heaths,

why it is special, and its spirit.

The project is being led by Kim and Kate at the PHCT helped by volunteer, Andy Thatcher who is also studying for a Masters in Photography, at Falmouth University. As well as providing a valuable archive, Andy will be selecting a number of contributions which he feels communicate something personal and individual. He'll then be adding his own photograph in response and bringing images and words together into a series of pieces for an exhibition next year.

With most people having access to camera or a mobile phone we hope this will make it easy for as many people as possible to contribute and take part. Whether you are an experienced, amateur or a smart phone snapper; whether your photo captures den-building, sunrises, swimming dogs, a favourite stream or wildlife close up, on the open heath or deep in a plantation, all contributions will build up the story of this much-loved landscape. We hope everyone will be inspired to share their own image of their heaths.

Between now and September look out for our social media posts and pop-up reminders across the site to prompt you to contribute different types of image.

This isn't a typical photography competition and we are not looking for the 'perfect shot', rather the sense of place or the moment or feeling it captures. So, snap a photo next time you are out on the heaths, scroll back on your phone or dig out something older from the album!

Continued on page 27...

Share your photos on Facebook, Twitter or Instagram using the hashtag #TheHeathsAndMe, or alternatively by emailing mail@pebblebedheaths.org.uk

Devon Mobile Libraries will be back on the road bringing books to you from July 13th 2020. To make sure that customers and staff are safe, we will only be offering a new type of contactless service for the time being. It's called **Choose & Collect**.

What is Choose and Collect?

- a free delivery of up to 5 books or audiobooks per person.
- selected by staff based on your reading preferences.
- you collect from your usual mobile library stop.
- selections available for adults and children.

How do I make sure I get a Choose and Collect delivery

- Even if we rang you to offer you your first delivery, we regret we can't do this every month. You must contact us to order again.
- Order at least 1 week before the mobile library visits your village or stop.
- You can check Exmouth Mobile Library timetable on our website:
www.devonlibraries.org.uk/web/arena/mobilelibraries
- Order a delivery by emailing exmouth.library@librariesunlimited.org.uk or calling **01395 272677**.
- Remember to tell staff you are a mobile library customer.
- New customers are welcome, just mention you wish to join the mobile library.

What else do I need to know?

- If you are experiencing any Covid-19 symptoms please don't come to the library.
- We will bag up your books ready for collection, they will have already been issued to your library card to reduce contact.
- Please use our hand sanitiser station and follow social distancing rules when you collect and return items. All returned items will be quarantined for 72 hours.
- We can only deliver pre-ordered selections for now, and regret that staff can't check the shelves for items while you wait during this phase of reopening.
- Items will be collected and returned at the entrance of the mobile library. You won't be able to enter the vehicle to browse or choose for yourself.
- We look forward to seeing you again, please be patient while we get used to this new way of working.
