## **Christmas view from the Vicarage...**

Dear friends,

“Christmas is a comin’ and the goose is getting fat, please put a penny in the old man’s hat. If you haven’t got a penny a ha’penny will do, if you haven’t got a ha’penny God bless you”

Christmas is indeed a comin’ but all the talk now is of supply chain disruptions and the threat that we may not be able to celebrate Christmas as we would like.

But frankly, after the two years of disruption that we have endured (and are still enduring to a smaller degree) to our lives, due to Covid-19, one more bit of disruption will surely just be water off a duck’s back for the majority of us.

And compared to people not being able to attend funerals and blanket travel bans, shortages of pigs in blankets doesn’t really compare.

Any disruption will be deeply annoying to everyone of course but keep in mind it is only the manner of the celebration that could be affected. What we are celebrating can never be affected.

Love came down at Christmas. In the birth of a child to a young unmarried mum, born into insecurity and privation, God came close to us. One of the names for Jesus used in the Bible is “Emmanuel” which means “God is with us”.

What we are celebrating cannot be affected by anything, the way we celebrate it may or may not be affected.

Either way, let the Spirit of who we are celebrating, console and strengthen you this Christmas and rejoice and celebrate in whatever way you can within whatever constraints we may face.

On behalf of the church, which only exists because of what happened at Christmas may I wish you a very happy Christmas!

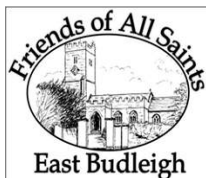

Martin

**Pastoral  
Care**

If you know of anyone vulnerable or living alone – whether they come to church or not – who would appreciate being contacted, please phone the

Raleigh Mission Community Pastoral Team Leader - Jenny Steele on 443133 or Lynda Bunting from All Saints, East Budleigh on 446731.

## The Friends of All Saints

The Friends of All Saints' (FoAS) are thrilled to be welcoming back **THE UNIVERSITY OF EXETER CHAPEL CHOIR** to perform in All Saints' Church, on the 12<sup>th</sup> December 2021 at 7.30pm.

The Choir is an auditioned ensemble of 26 student musicians whose principal role is to sing the liturgical services offered by the University Chapels. The Choir also sings at events throughout the year, from the University Christmas Carol service to Graduations, as well as further afield in the UK and touring abroad. The choir provides musically talented students with the opportunity to pursue their love of music, alongside their degree, within a dedicated team who meet regularly for practice and performance.

The choir is led by the Organist and Director of Music of the University, Michael Graham. He has been a lay vicar in the choir at Exeter Cathedral since 2016. He is also MD of several community choirs in Devon including the Budleigh Salterton Male Voice Choir.

The choir will be accompanied by David Davies. He was Assistant Director of Music at Exeter Cathedral and moved to Buckfast Abbey as organist in 2016. He is a freelance solo performer, director and accompanist and has performed in St Peter's and All Saints' Churches in the past.

The Choir last performed for the Friends of All Saints' Church on Friday 13th December 2019 ...

"The University of Exeter Chapel choir is extremely excited to be returning to East Budleigh to present an evening of festivities and carols! With them comes favourites, such as "Ding Dong Merrily", beautiful works, such as "O Magnum Mysterium" by Lauridsen, and even "The Twelve Days of Christmas". The choir have been working hard this term giving concerts across Exeter and preparing for their busiest time of the year. Don't miss what will be a great night for all!"

**Tickets costing £10 (including mulled wine and a mince pie) are on sale at the Village Shop and East Budleigh Garage.**

**200 Club** our monthly draw has a first prize of £40, second £20 and third £10.

The 200 club winners for September were:

1st - Barbara Watson 2nd - Emily Pye 3rd - Shardonay Pye

If you would like to subscribe to the 200 Club for the remainder of 2021, please send your name, address, telephone number and email together with a cheque for £1 per number (£1 per month until the end of 2021) made payable to

## The Family Carol Concert

At six O'clock on Christmas Eve one of the highlights of the Christmas season takes place at All Saints church free of all the covid restrictions that hampered our celebrations last year.

The annual atmospheric Christmas carol service heralds the coming of Christ and signals a return to normal service after the couple of years we've had. So what better way to relax, sing well known carols, hear the Christmas story and get yourself into the true Christmas Spirit.

There has been some talk of shortages this Christmas but I guarantee there will be no shortage of Christmas Spirit this Evening, so make this your essential Christmas ingredient this year. It'll be an hour well spent.

## Winter Fuel Allowances

Luke 3 verse 11 'John replied, "If you have two coats, give one to the poor. If you have food, share it with those who are hungry'

As part of our mission and outreach in the Raleigh Mission Community, we have over the last six winters, collected in un-needed winter fuel allowances, and redistributed them to individuals & families within our local area who are in need of help to pay their winter heating bills. Names are sourced through the schools and through the health visitors and social service teams.

Over the last eight years over £12k has been redistributed in this way. If you would like to take part in the scheme this winter, we would welcome any contribution you feel able to make, as and when you receive your fuel allowance. If you know of any individuals or families who would benefit this winter, please, with their permission, give their contact details to Fran Mills who administers this scheme on our behalf. Please make any cheques payable to St Peter's PCC, and hand to Fran, or alternatively use the 'Winter Fuel Just Giving button on the RMC website. We, in turn, give a church cheque to those in need thus maintaining anonymity on both sides.

Finally a huge thank you to those who have given so generously over the last six winters.

## Our Churchyards

On Churchyard Working Party days, the volunteers meet at 10.00 by the shed at the back of the Old Churchyard to see which jobs they want to do and break for refreshments when the Church bell strikes 11 – we usually finish between 12.00 and 13.00, but you can do as much or as little as you like.

Our Churchyard Working Party continues on the 3<sup>rd</sup> Friday of each month ... the planned Churchyard Working Party is Friday: 17 December.

### ***Help is always needed ...***

If you could volunteer for a couple of hours once a month to help keep the Churchyards looking good for the community and visitors alike, we would love to hear from you. If Fridays don't suit, we can meet you on another day to discuss how you can contribute.

If you are interested in joining us, please do get in touch – no experience required, just enthusiasm!

You can check out our webpage

<https://www.raleighmissioncommunity.org.uk/churchyard-working-party.html> - all are very welcome.

### ***Website***

As well as the "Churchyard Working Party" page, there is the page "Our Churchyards" <https://www.raleighmissioncommunity.org.uk/our-churchyards.html> with information about the maintenance, the memorials and some of the notable people buried in the Churchyards and a quiz.

***Do visit and enjoy the Churchyards – they are wonderfully peaceful places for quiet contemplation and a haven for wildlife***

## **East Budleigh with Bicton Parish Council**

### **The Parish Council Needs Your Help**

The Council should have up to ten Councillors, but, with one retiring in May, and another moving out of the area, we will be down to five. We can only carry out business and pay all the bills for the Parish if we have a quorum of FOUR at our meetings, (which was the number of attendees at our recent meeting).

Please consider joining our friendly group. The main duties of a Parish Councillor are to attend ten monthly meetings a year plus the occasional additional Planning meeting. At each meeting, the Clerk reports on matters affecting the Parish, asks for approval to pay the maintenance bills and presents the monthly accounts. You can have your say on what groups should receive grants every year and essentially, give your opinion on planning matters. Our Planning officer provides detailed information to assist decision making. Occasionally there are special projects which a Councillor chooses to lead (with the assistance of the Clerk) – such as the recent Nature Trail, wildflower planting and future decisions on the “Green Agenda” for the Parish. Traffic issues are monitored alongside discussions with Highways to get matters resolved.

The Council keeps in touch with community groups in the Village and supports them whenever possible. The Clerk keeps an overview, supports Councillors at all times, looks for and manages grants and keeps the detailed Financial Records. She receives information from the local authorities and other government bodies, which keeps Councillors informed of the wider picture. A full schedule of Parish Council activities was published in the August 2021 Parish News.

If the Parish Council were to lose any more Councillors and be forced to close down, all local matters, including Planning consultations, would be handled by East Devon District Council, and the opportunity for residents to control their own environment would be very limited. This isn't a difficult nor a time-consuming position, but you will have a voice in local affairs. Anyone from just outside the Parish may also apply. Young adults would be especially welcome.

*Footnote: we are also looking for a Parish Road Warden to alert the Council when drains are blocked, or potholes need filling. They might do the work themselves, supervise volunteers or report the problem for the Clerk to follow up.*

## Drake's Church of England Primary School

We have a busy month ahead with our Christmas performances in the church and a trip to the Exeter Corn Exchange to see the pantomime, Beauty, and the Beast. The children are looking forward to their Christmas lunch and our Christmas Service, which is also in the church.

Our 'value' up to this half term was Compassion. We thought about being compassionate towards each other and the world around us following the COP26 summit in Glasgow.

We have received our Toilet Twinning plaques for our fund raising throughout the Summer Term. We were able to twin, latrines in Honduras and Democratic Republic of Congo, taps in Uganda, Kenya, Ethiopia, Afghanistan and Guatemala, a toilet block in Liberia and many more

In the new year we will be developing our school grounds to improve our environment after the progress we made on our Repurposing Day.

Reception 2022 admissions are now open. Applications need to be made directly with Devon School Admissions. The window closes on 15<sup>th</sup> January so if you would like to arrange a visit to view the school, please contact the school office.

We would like to wish you all a very Merry Christmas and a Happy New Year.

# East Budleigh in Bloom

The AGM on Saturday 13 November was very well attended; thank you to everyone who came. It was a very nice afternoon with tea and cake and an opportunity to chat and gather thoughts and feedback from those in attendance.

The winter planting is complete with mostly polyanthus and some pansies. We are trying something new with the beds at the Wynards and Vicarage Roads junction. We have planted some perennials called Heuchera which we hope will spread. Heuchera do flower and are bee friendly. We will monitor this experiment with a view to the possible planting of more perennials in beds in the future. We are thinking along the lines of becoming more "eco" by using less bedding plants, which in turn means less plastic pots, compost and less impact on the environment.

If you have any queries please contact the secretary, Jon Roseway, 01395 488739.

Happy gardening and a happy Christmas.

## SHOP NEWS

We now have our Christmas stock for sale - a huge selection of cards, wrap, bags, tags and gift ideas!

We are again supporting Stallcombe House by selling their Christmas cards – these are cash sales. This very worthwhile local charity receives all the money from our sales.

Let's talk turkey - we are now taking orders for festive roasts for Arthur's butchers from Topsham. They would like all orders for turkey / goose / duck etc for Christmas in by 10th December if possible please. This year they are requesting a £10 deposit per order.

If you would like any other goods (vegetables, biscuits, puddings etc) reserving for Christmas, do please call us. We will do all we can to take the strain out of it all for you!

## CHRISTMAS GIFTS

This popular calendar is now on sale in the shop for only £6, including an envelope. A great gift, and easy to post.

We also have a wide range of diaries, calendars, family organisers and stationery gifts.

In stock are bags of Devon fudge in several Christmas flavours, and lots of other sweets.

Moore's Christmas biscuit selection tins are on sale with some very decorative patterns. These make wonderful gifts or treats for yourselves!

## CHRISTMAS CAROLS

Our annual village gathering for eating mince pies, drinking mulled wine and singing a few Christmas Carols will be held around the Christmas tree at the shop on Friday 17<sup>th</sup> December.

We start at 6.00pm with our mulled wine and mince pies and then begin the carols when we are suitably refreshed!

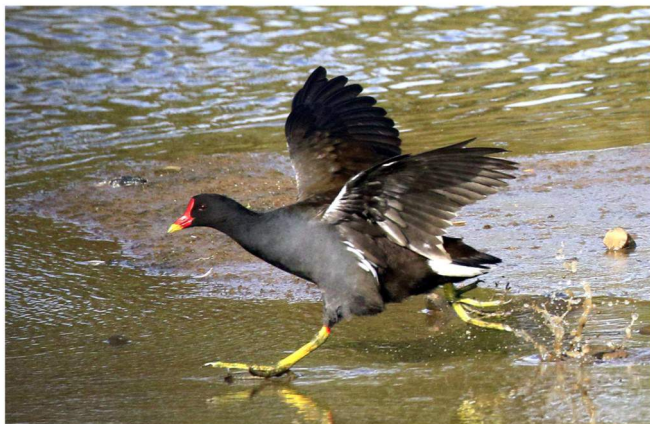

All are welcome and we are really looking forward to being able to get together and meet people after so many have felt isolated for so long this year.

## East Budleigh with Bicton Women's' Institute

On the afternoon of Thursday 11 November we held our monthly meeting. About 36 members & visitors were there to hear an amusing account, with accompanying slides, of the life of Beryl Cook by our Speaker, Marilyn Bishop. Beryl was born in 1926 & didn't start to paint until she was in her thirties. She had no formal training, but her paintings became hugely popular, very amusing & now very valuable.

Our next meeting is at 2pm on Thursday 9 December, when member Lynda Bell will show us how to make a Christmas centrepiece. Please bring along any suitable bits & bobs for this if you have them. Mince pies & non-alcoholic (of course!) mulled wine will be available.

Visitors, not just from East Budleigh, will be very welcome, just come along.

## Explore nature creatively this winter at Harpford Woods, Sidmouth

Clinton Devon Estates' forestry stewardship in East Devon includes a commitment to provide public access, wherever possible, alongside the production of sustainable timber.

Eight new wooden Creative Nature Boxes have been installed in Harpford Woods, an ancient woodland site, near Sidmouth. Each box contains a different creative prompt designed to encourage people to enjoy nature in new ways. These include calming activities like forest bathing (*shinrin-yoku*) and meditation, contemplative suggestions such as writing a Haiku poem and 'thoughts for the future' to child-friendly activities like 'make a nature bracelet' and ways to make a linear walking map.

The Creative Nature Boxes were developed from a successful pilot project 'Art on the East Devon Way' led by *Thelma Hulbert Gallery* with *East Devon AONB Partnership* and *Clinton Devon Estates* in 2017, where artist Lizzy Humber produced several engaging story jars which were hidden in the woods. These were left out and during lockdown local people left messages of hope in the story jars, so it will be interesting to see what will come out of people's interactions with this new and more permanent installation in the future.

The boxes encourage community feedback and suggestions and will house further new activities over the coming months, as *Double Elephant Print Workshop* and the *East Devon AONB Partnership* continue to work with local schools and community groups through a new lottery grant, Places Called Home, funded by IKEA UK and The National Lottery Community Fund.

Be inspired by the ideas inside each box and have fun looking for them all. Don't forget to share photos/comments/ideas and tag THG (@thelmahulbergallery). *There isn't a route to follow but the boxes are designed to be easily found from main routes without a map. Harpford Woods is easily accessible from the East Devon Way. Alternatively for a shorter walk, car parking is available in Harpford village or just off the A3052: Google Maps Plus code: PP5H+XW Sidmouth / Ordnance Survey grid ref: SY 1051 9066*

LORP update December 2021

**Has LORP made the flooding worse?** The flooding in the lower Otter valley this October was a dramatic example of what will happen increasingly as our climate changes. The river rose quickly to levels higher than they have been here in Budleigh for over eight years; levels rose quickly in surrounding valleys too. This flood

event was an entirely natural phenomenon and, importantly, was not caused or exacerbated by the LORP works. On this occasion the water took longer to disperse through the trunk drain and out to sea, as there were two flood events in quick succession. Once the project is complete, the current embankment will no longer trap the flood waters behind it and the flood waters will naturally drain more quickly.

The contractors undertook an investigation to learn from the event and to understand why the construction plant was not moved ahead of the flooding. They have made improvements to ensure this does not happen again at LORP or any other sites, including reviewing triggers and adopting a fully automated warning system that is linked to river levels.

The outfalls were checked for debris regularly by the site team but remained clear and as soon as the floodwater started to subside the equipment and vehicles were moved. All vehicles had sealed fuel units running biodiesel and were also banded until it was safe to retrieve them. Most machines could be restarted and driven out of the floodwaters when water levels allowed. South Farm Road was opened and is being regularly swept clear for residents and access to South Farm businesses as usual.

*Environment Agency* pollution staff closely monitored the site clear up to ensure that the river has not been adversely affected. The programme of works is being revised following the flooding, recovery and clean-up. Site noticeboards and the website will be kept up to date with the latest timetable.

*This aerial image shows the trapped water behind the embankment unable to drain away quickly. The LORP will reconnect the floodplain and the river once again so that water in the flood plain after heavy rainfall events (on the western side of the embankment) will have an effective exit.*

The Lower Otter Restoration is a very complex project in a very dynamic environment. As the year draws to a close it is amazing to consider how much has been accomplished since last December. In the New Year the project partners look forward to site visits and other planned events to help bring the project to life for local people and facilitate educational visits for students of all ages.

## Church Matters .....

On Monday 15th November, a happy band of about a dozen volunteers answered the appeal to give All Saints Church a thorough Autumn clean.

Everyone beavered throughout the morning to make the Church sparkle. We were lost in wonder at how Paul Kurowski was able to spend virtually the entire morning at the top of a ladder waving a heavy metal pole around all points of the compass with a mop type apparatus at the end so that it literally danced across the fabric of the ceiling and walls waging war on cobwebs and other detritus.

The polishers, sweepers, hooverers, and candle wax removers, laid into their objects as if their lives depended upon it, fortified by only a short mid-morning coffee break for which Sue Pyne produced a magnificent home baked cake. As we predicted, the task was completed by 1300 hours.

The Church wardens are very grateful to every one who volunteered and worked so hard to make the Church look pristine for the Christmas festival. Thank you.

Marilyn Hobbs and John Neligan ..... Church Wardens.

Bicton, East Budleigh, Devon, EX9 7BJ | Headteacher: Sarah Pickering

Pupils from Mill Water SEN School marked Armistice Day with activities in class and by attending local memorial services. Class 12 represented Mill Water at East Budleigh, laying this wreath made of poppies designed by pupils from every class. They behaved impeccably and were a credit to the school.

Mill Water, adjacent to East Budleigh, educates 115 pupils (aged 3-19) with severe and complex learning disabilities. They were joined for the wreath-laying by former school Governor Lt Col Andrew Canning OBE, from East Budleigh.

## **Mill Water School pupils with special needs get a fishy visit from Exmouth Tesco**

Exmouth Tesco community representatives Susan Kirk and Leanne Fletcher brought a slippery selection of fish into Mill Water SEN School last week.

Pupils got to stroke the scales, learn how to gut mackerel and taste a selection of pre-prepared prawns, tuna and mussels.

Mill Water School, near East Budleigh, educates 115 pupils with severe and complex learning disabilities. The Tesco staff talked to Class 9 about the journey that seafood takes, from sea to plate, and why eating it is good for you.

Class teacher Kathryn said: "Many of the children tasted fish for the first time and they loved the sensory and squishy feel of them. We talked about how healthy fish are to have in your diet."

The supermarket also kindly donated dozens of packets of seeds for pupils to plant in their vegetable patch.
