## June view from the Vicarage...

Dear friends,

*O come sweet June, my lovely June  
The month when first the roses bloom -  
A wondrous, colourful display By sunlight kissed throughout the day,  
So chasing all my cares away.*

So starts a lovely poem by Valerie Dohren. It speaks of energy and optimism and colour. That is usually reflected in our mood because sunshine affects us in a positive way just as dark gloomy weather can have a depressing effect on our mood.

In the church calendar it also marks the giving of Christ's Spirit on the feast of Pentecost on the 9th June so mirroring the energy and optimism of the season. One hopes that the light of the Son breathed on us chases all our cares away just as effectively as the light of the Sun. That correlation between the "Sun" and the "Son" has been celebrated since the earliest days of the church. Did you know that traditionally all church altars face East? That is so that symbolically the minister at the altar in the East end of the church faced the rising sun as he celebrated Holy Communion. In those early days of course, the presiding minister faced away from the congregation and towards the East.

The symbolism might have been mostly lost now but the light and warmth of Christ rising every day meant that every day was the day of resurrection as spiritually of course it always has been!

This is amplified on the feast of Pentecost of course as we celebrate God's Spirit being poured out in order to invigorate and energise us to become God's people in order to spread the gospel of freedom and love to a needy world.

Martin

## The Church Matters .....

**Annual Parish Meeting (APM)** and Annual Parochial Church Meeting (APCM). 21 people (plus 5 'apologies') attended these two meetings – more than last year and not just because the Vicar and Associate Priest made up the numbers!

At the APM, Marilyn Hobbs and Paul Kurowski were elected as Churchwardens for another year and will be 'sworn in' at the Archdeacon of Exeter's Visitation to St. Peter's Church, Budleigh Salterton, on Monday 3rd June.

At the APCM, Rev'd Martin thanked everyone for the warm welcome to him and Louise following their move from the North-east. Rev'd Karen's first impression of All Saints at her Licensing Service and thanked everyone for her warm welcome and hospitality ... apparently we all like to eat!

There will be a booklet produced and available in the Church in late May / early June. It will highlight the Church's Activities encompassing "Reaching out into the Community", "Sharing our Faith with Others", "Caring for Others", "Enhancing our Worship" and "Looking after our Church" ... you do not have to come to Church to get involved.

Rev'd Martin was pleased to note that there had been no safeguarding incidents last year.

Following the Electoral Roll renewal process, our numbers are down to 63. A reduction in numbers does not affect how much the Diocese expects for our Common Fund contribution.

Despite a number of initiatives, the Church is still running at a deficit. A Parish Giving Scheme will be introduced which will speed up Gift Aid handling and mean that such monies come to the Church quicker.

In future, our PCC will meet with St. Peter's PCC and St. Michael's PCC in a joint RMC meeting covering aspects that affect all three churches and then we will have our PCC meeting to focus on the fabric, funds and specific issues relating to All Saints' Church – this started on Wednesday 22nd May.

The PCC members are:

Vicar and Chair: Rev'd Martin Associate

Priest: Rev'd Karen

Churchwarden (ex officio): Marilyn Hobbs

Churchwarden (ex officio): Paul Kurowski

Secretary: Penny Kurowski,

Treasurer: Maria Malinowska

Deanery Synod Rep: Margaret Briggs

Safeguarding Rep: Kate Ponting

Member: Jane Buckland-Wright

Member: Jenny Hill (Cashier)

Member: Christine Newall

Member: John Robertson (co-opted 22 May)

Electoral Roll Officer and Lay Chair: Richard Bunting.

Quotations for the Church Maintenance and Tower from West Access Conservation (WAC). We have received quotations from WAC for most of the works, as highlighted in May's Parish News – a ballpark figure for the immediate works is around £20K. We will be undertaking this work as soon as we can after the necessary approvals.

## **Friends of All Saints Church -**

The target for the Friends this year is to raise over £5,000 again – this will cover the maintenance and survey work already completed by West Access Conservation (WAC) as well as significantly contributing to the necessary work identified by WAC.

At the time of writing (10 May), I am hoping that Andrew Canning's talk 'Kandahar, Afghanistan: Life, Death and Things in Between' in the Village Hall was interesting and a great success.

### **Scarecrow Festival - Saturday 8th and Sunday 9th June**

The scarecrows were returned to the East Budleigh car park from Bicton Gardens on Friday 10 May – please check if your one is still there and would like to come home.

The Scarecrow Festival will run from 11 until 5 on Saturday and 11 until 4 on Sunday.

There will be eight places to visit on the Scarecrow Venue Trail:

Drake's School: local art show including sale

Village Hall: refreshments (bacon baps, drinks and cream teas); Information Point including sales; W.I. bric-a-brac; East Budleigh's Craft Group; cake stall; book stall; Toffee Nosed sweets; the Otter Valley Association including information about a heritage pilot scheme using East Budleigh's Conservation Area; Pets Corner (on Saturday); music; and duck races at about 15.00

Church Hall: arts and crafts by local artisans including Bicton College students; an exhibition by Exeter Quilters; and new for this year a Mocktail Bar!

Church: Square Circle's knitting will decorate the Church; on Saturday there will be Church Tower tours (and possibly Sunday afternoon); a Handbell 'taster' session; on Sunday Ian McCabe and Karen Gunner's wedding at 12.00; and Songs of Praise at 6.30pm on Sunday

Sir Walter Raleigh: open all day for refreshments

The Vicarage: vintage cars and bikes on display on Sunday

Recreation Ground: car parking, inflatable fun fair, Dog Show (approx 12.15 - 14.15 on Sunday); Pets Corner (on Sunday)

Salem Chapel: the Raleigh Federation School's art and craft show plus refreshments

On Sunday at 11.30 there will be a rally car procession from East Budleigh Garage up to The Old Vicarage where the cars will be on display – what a way for Justin to spend his birthday!

We will be looking for volunteers to help us over the weekend – even one hour can be very helpful – please get in touch. We also welcome plants for the plant stall and cakes for the cake stall, please just bring them along on either day. Books for the book stall can be left in the crate outside Stores Cottage in the High Street.

This is the major fund raising event for the Friends in the year but many other organisations benefit as well, so we hope that you will join in by creating a scarecrow or two as these provide the focus of the event for all the visitors from around the country during the weekend.

Continued on next page.....

**Autumn Talk** – the 75th Anniversary of the Battle of Arnhem.

More details will appear in the next Parish News about Ian Blackwell's talk.

### **Cabaret Evening**

The Friends are organising a Cabaret Evening on Friday 27th September evening – we are still finalising the details but there is likely to be a glass of fizz and canapés on arrival followed by a three course meal with professional entertainers/singers between each course.

Keep the date clear and think about who you will invite to make-up a table ...

### **Christmas Concert**

This year, we have invited the University of Exeter Chapel Choir to perform in the

Church on Friday 13th December evening – more details will follow.

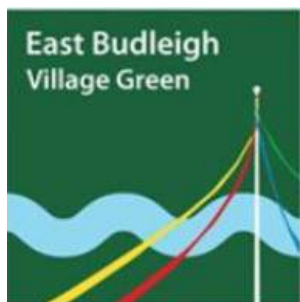

### **Friends' Committee**

Budleigh Salterton Male Voice Choir hosts charity event for Drake's School and East Budleigh Village Green during Budleigh Gala Week.

The East Budleigh Village Green Team and Drake's School are excited to announce their latest fundraising event. The Budleigh Salterton Male Voice Choir will be performing a charity concert during Budleigh Gala week, with profits raised to be split equally between the two

groups. Drake's School will be putting the money towards sports equipment.

The event will take place at St Peter's Church, Budleigh on Saturday 1st June 2019 7:30pm; Doors open 6:30pm. Tickets can be purchased in advance from East Budleigh Village Shop at the cost of £8 or £10 on the door. Under 5's free go free and under 12's are just £3. There will be a cash bar if anyone would like to purchase refreshments.

The choir, which was formed in 1974 and has a repertoire of over 150 songs, performs around 10 concerts a year to help raise money for local and national charities. "We are delighted that the choir have chosen to perform a concert in aid of these two worthy causes, and are very grateful for their support" said Alice Gater, East Budleigh Village Green.

## East Budleigh in Bloom

Thank you to everyone who helped, supported and donated to our recent Spring Plant Sale. It was a most enjoyable time with lots of lovely plants managing to stay upright in spite of the windy weather followed by an excellent tea and cakes. Our website shows some jolly photographs of the event taken by Peter Bowler. We shall be manning the Plant Stall at the Scarecrow Festival too in June so please stop by. All planters and baskets will be planted up by the 3/4th June ready for the festival and will bloom all summer to make our village a beautiful place to live in and visit. Remember June is a month of roses, the longest day and mid summer's eve, so look out for romance, magic, dancing and pixies.

'Kind hearts are the gardens;  
Kind thoughts are the roots;  
Kind words are the flowers;  
Kind deeds are the fruits.'

English proverb.

## Newsletter Number 113 – June 2019

### NEW TEA & COFFEE

We are delighted to be joining forces with yet another local business – this time it's the West Country tea and coffee providers, Miles.

Renowned for providing high quality teas and coffees, we are trying a number of lines to see how they go down with our customers. If you have a particular favourite of theirs, please let us know.

Their full range is very extensive incorporating premium infusions and an award winning hot chocolate, so do let us know what you would like to try – we have the full list in the shop.

### NEW LINES

We always have a lovely selection of stationery in the shop – everything from small packs of envelopes, pens and pencils to beautiful note blocks, books and shopping lists.

Alongside our usual wrapping paper packs we have recently trialled "gift wrap books" – these are large books of wrapping paper with matching gift tags. They feature 10 large pull out sheets and 22 tags all neatly held within a large scrapbook size cover... a great way of storing it. They are themed as "by the sea", "art nouveau", "succulents", "exotic blooms" or "Monet" and retail at only £4.99.

Our trial only lasted 2 days as they all sold out – so we will definitely be getting some more in soon.

### HELP US TO BE GREEN!

Speaking of hot drinks – we are hopeful that it won't be long before we have our own refillable, bamboo cups available for sale - for use with our coffee machine and to keep with you when you are out and about. Look out for them appearing soon!

Don't forget that we provide free water refills on request at the shop.

### SHOP NEWS

We held a very successful get together and lunch to thank our splendid Volunteers last month, with 53 people there, food supplied by the wonderful people from the Bowd in Sidmouth. A great time was had by all. Plenty of food, wine and laughter! Special thanks to Mel, Anne and Liz for all their hard work and enthusiasm.

Thanks to more of our Volunteers, the lovely cake stall is back on 9.30 am on Saturday, 1<sup>st</sup> June and every two weeks after that. Come early, they sell out really quickly!

**Easter Flowers** - thank you to the Ladies who helped to decorate the Church for Easter, the displays were very much admired and appreciated.

Throughout the year we provide arrangements of flowers in the Church at the major festivals of Easter, Harvest and Christmas we all join together to decorate throughout the Church. If you enjoy arranging flowers and would like to lend a hand by joining the team please give me a ring. Hopefully our efforts bring comfort and pleasure to our congregations and also to the many people from far and wide who come to visit our beautiful Church. Sue Pyne 442524.

## Stamps for the Leprosy Mission

It is hard to believe that a bunch of used stamps can help transform the life of someone affected by leprosy. But the fact is that it can! Over the past 30 years, The Leprosy Mission has raised more than £1 million to benefit people affected by leprosy. It takes seconds to rescue a used stamp from an envelope destined for the recycling bin but, by doing so, healthcare opportunities can be provided to people in desperate need.

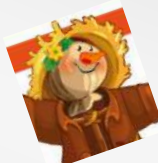

There is a box for them just inside the church door on the right hand side.

Thank you, Pam Mayor

## Tips for making your own scarecrow -

There are lots of ways to make a scarecrow, but here's some tips if you need any. Why not have a scarecrow making evening with your friends?

1. Get a picture in your head of how you want your scarecrow to look and give him/her a name
2. Find a sturdy pole or garden cane for the body and a shorter one to tie across for the shoulders and arms
3. Try to find some old tattered clothes, gloves, shoes & hats that will fit your vision.
4. Old pillow cases work great for the head of the scarecrow
5. Have fun & make wonderful memories as well as a scarecrow!

## East Budleigh with Bicton WI – May 2019 meeting report

Vice President Dorothy Redshaw welcomed everyone to the meeting in the Presidents absence. A minute's silence was observed for two members who had recently passed way, Meg Tracey and Angela Ward.

This month a group of members will visit Blackbury Honey Farm, Southleigh, for a cream tea. Other events to look forward to are a trip to Cadhay House in June, and a tea party at Bicton Park in September to celebrate our 100th birthday.

WI will be running a bric-a-brac stall in the village hall at the Scarecrow Festival on 8th & 9th of June. Donations of good items are welcome.

This being our annual meeting, officers and committee members were voted for, with all agreeing to carry on for the next year. Resolutions were voted for by members.

East Budleigh with Bicton WI will hold a coffee morning on Saturday 7th September in the village hall, which is open to everyone. There will be a display of WI photos and memorabilia from the last 100 years. The WI meets on the second Tuesday of the month 7-9pm at East Budleigh Village Hall. New members are always welcome

By the time you read this report, the club season will have finished and the club championship decided. However casual chess games (+ other board games) can be played at the Budleigh HUB (BOARD GAME CAFE) on Monday afternoons 2:00-4:00 pm throughout the summer. £1 a session. This is the site of the former hospital, East Budleigh Road. As a club, we will support this venture.

The club secretary would be prepared to have a casual chess match or game with anyone at the HUB on a Monday afternoon in June or July. Any challenges?

The 2019 British Chess Championships will be held at the Riviera International Centre in Torquay from the 26th July... See the ECF website for details. Here is the chance to see top players in action as a spectator, or even play in one of the many events. (weekend and during the week)

The 1st meeting of the new season is 12th September at 6.50pm at the All Saints Church Hall, East Budleigh. The club needs new members in order to survive in its present form. For more information please contact Brian Gosling by email at [brigosling@aol.com](mailto:brigosling@aol.com) or by phone on 01395 442060.

## CLINTON DEVON ESTATES

### Forestry

Strength in the timber market continues and dry conditions meant harvesting could continue throughout the winter. However good weather also meant more pests, resulting in the earliest requirement to apply insecticide for pine beetle; six weeks earlier than any previous year!

In North Devon, roadside and farm tree inspections have been completed, moving onto those at residential properties to bring these trees into our routine inspection programme.

At Leaford Plantation, outside Knowle, problems were encountered recently with dog walkers who put themselves in danger by ignoring safety signage by entering an active harvesting site.

Safety signs indicating the temporary closure of permissive access serve an important purpose and we ask that everyone follows their instruction and direction.

### Bicton Arena

A successful neighbours forum took place recently where we were heartened that so many local residents felt reassured that we are committed to listening and working to find solutions to issues ease heavy traffic and noise from tannoy announcements at large events.

The April International Horse Trials which fell over the sunny Easter weekend drew a maximum number of competitors and a 50% increase in spectators. Last month saw the British

Show Jumping Spectacular followed by a Pony Club Tetrathlon event during half term. The only large event in June is the: British Show Jumping Pony Premier 21st – 23rd June. Arrivals Thursday 20th June (including large lorries). Local competitors will be travelling in daily. Most departures will be on Sunday 23rd June.

### Clinton Farm Partnership

Spring calving, which takes place at Dalditch Farm, will be completed by the middle of the month and all spring crops have been drilled and had slurry applied. Recent improvements on the farm include 5500 metres of new fencing, water troughs and cattle tracks, which makes moving cattle to new grazing areas more straightforward and reduces staff time.

The opportunity to enjoy local produce whilst reducing both food miles and single use plastic comes a step closer next month as a direct sale vending machine will be installed at Otterton Mill, selling pasteurised organic milk from the Clinton herd direct to local people.

### Property and Land

The Estate has worked with the Parish Councils at Beer and East Budleigh to enable Devon Air Ambulance to have night landing sites in each village. Sales at both King Alfred's Way and Plumb Park are going well and planning permission was granted to develop a barn in East Budleigh and at Short Furlong in Beer. Work is ongoing to bring all residential and commercial properties up to higher energy standards, an EPC rating of E or above.

Continued on next page.....

Over 100 allotment holders across the Estate were sent wildlife gardening leaflets and wildflower seeds and encouraged to plant a small area for pollinating insects which in turn provide food for bats and other species that feed on them.

#### Pebblebed Heaths

Recent bird monitoring suggests our Dartford warbler numbers (60 pairs) may have recovered better than hoped after the late snow of 2018 caused the population to drop from 100 to 30 pairs. Last year's long hot summer will have helped, as the birds could raise multiple broods. We have had a good response to a request to report adder sightings with both females and males being spotted across the heaths. A grid reference and a photo would be brilliant if you are lucky to spot one when walking on the

commons and will help us with our understanding of these special reptiles and how they use the heaths at different times of the year.

#### Countryside Learning

Look out for new signage on gates across the home farm, with details about the crops that are growing and other useful information. Over 300 pupils from local primaries will spend a day on the farm this month learning about milk production, the importance of soil and the vital role pollinators play. Primary and secondary schools will also spend time learning on the heaths this summer. To make the most of their time with us we are pleased to have new educational resources for schools to use before, during and after their visits and a bespoke trailer to transport groups across the site more easily. *Kate Ponting*
