## The Church Matters .....

### Rev'd Karen Young's Licensing Service

A new chapter began in the life of the Raleigh Mission Community when Karen was officially installed as our Assistant Priest on Monday 1st October. Around 90 people attended the Licensing Service and Karen had chosen some rousing hymns for us to belt out. After the Service, refreshments were served in the Church Hall. Thanks to everyone who donated, money, food and/or time to make this event a great success. I am pleased to say that, due to the generosity of people, this event did not cost the Church anything!

The first fruits of Martin's and Karen's new collaboration are the new service times: we have a Holy Communion Service at All Saints Church, East Budleigh, at 09.30 every Sunday – all are very welcome to attend.

### Harvest Festival – Sunday 7th October

James McAdam led an uplifting service ably supported by the pupils of Drake's School and the amazing multiplying machine. It was wonderful to have around 50 adults and 35 children in the Church for this special service. Rev'd Karen made a wonderful display of all the donated food on the altar – this was delivered to Exmouth Open Door to support those in need.

The retiring collection raised over £85 for the D.E.C. Indonesia Tsunami Appeal.

### East Budleigh in the Great War - those who served

Military Historian Ian Blackwell has researched the lives of the 183 East Budleigh men who are known to have served in The Great War. 29 of them died during the conflict and their names are on the Memorials; another six names could have been added.

Following extensive research, Ian has provided a folder, which documents and outlines the experiences and lives of those who served our country overseas and at home.

The folder is under the war memorial in the Church; please take time to have a look and appreciate what others have done for us.

If you spot any errors or can provide any information about those who served or have any memorabilia, please let Ian know – his contact details are in the folder; alternatively, you can contact me (details on next page).

## All Saints Parochial Church Council (PCC)

The next meeting is on Wednesday 7th November, please let me know if there is anything that you think the PCC should be considering.

We are still seeking someone to fill the PCC Secretary role. If you are interested in the role or would like information about the requirements, please contact Paul Kurowski (Tel: 01395 742942; e-mail [pandp@kurowski.me.uk](mailto:pandp@kurowski.me.uk)).

### Safeguarding

If you see something that's not right relating to children and/or vulnerable adults say something.

Kate Ponting (07917 104250) is the Safeguarding Representative for East Budleigh and Otterton.

For all the latest news, activities/events and information about the Church, visit the website: <https://www.raleighmissioncommunity.org.uk/>.

Paul Kurowski, Churchwarden

From the Rev'd Karen Young...

Dear all

I seem to be a bit of a nomad. I have lived in many places in the UK including: Portsmouth, Nottingham, Middlesbrough, Bristol, Castleford, Filkins. I have lived and worked in Switzerland, Australia, Vancouver and Germany. I was ordained in 2005 having studied at Westcott Theological college in Cambridge.

Once I was ordained in the Wakefield diocese I spent a year there as a curate and then moved to Southwell and Nottingham Diocese.

I continued my curacy and worked as a mental health chaplain for the NHS in Nottingham.

I moved to Vancouver and then moved back and went to work as a Chaplain for the MOD based in Germany with the British Army. I then moved again to Filkins in the Diocese of Oxford and then on the 17/09 I moved to Devon!!! And here I am..... goodness me I should write a book. I'm looking forward to never moving again!!

I am also looking forward to getting to know you all too.

God bless Karen xx

## **WW1 CENTENARY COMMEMORATION/CELEBRATIONS**

### **PROGRAMME FOR EAST BUDLEIGH 9-11 NOVEMBER**

As part of the Nation's tribute, East Budleigh will be marking the centenary of the end of WW1 with commemorations and celebrations over the weekend of 9-11 November. The programme for the weekend is as follows (subject to minor change), and we hope that many people from the village will be able to join in all or some of these free events.

A central part of the weekend will be an exhibition in the Village Hall, which will feature general information about WW1, together with more specific information about the men from East Budleigh who were involved. Parts of the exhibition have been designed to be of interest to children and younger people, and there will be some artefacts relating to WW1 that have been kindly lent by people in the village. The programme of events is:

#### **Friday 9<sup>th</sup> November**

Children from Drake's School and Mill Water School will be making poppies in the Village Hall in the afternoon (this won't be a public event, come and see the results on Saturday).

#### **Saturday 10<sup>th</sup> November**

The Village Hall will be open from 8.30 am to view the WW1 exhibition and the display of children's poppies. From 10am until 5pm there will be hot and cold drinks and nibbles available, and some special events:

2pm – A 45-minute **Presentation** by Stephen Jones – 'The Story of WW1'

3.15pm – A 45-minute presentation by Mo Sandford - 'My Great War Story'

4.30pm – 5.05 pm - come and hear Budleigh Salterton Male Voice Choir (including WW1 songs and audience sing-along)

#### **Sunday 11<sup>th</sup> November**

9.30am – Remembrance Day service in All Saints Church

10.45am – Gather at the War Memorial for reading of the names of the village 'Fallen' from WW1, readings, wreath laying and 2 minutes' silence at 11am.

3.15pm – 5.15pm – Come to the Village Hall for a celebratory afternoon tea and the chance to dance to some classic WW1 tunes and more modern numbers. Tea and cakes provided by East Budleigh with Bicton WI. Do come in period dress if you can.

7pm at All Saints Church – there will be activities in line with what is happening nationally:

- the Last Post
- Candle lighting in church
- Bell ringing

Entry to all the events is free – you will just be asked to pay for refreshments.

Any funds raised during the weekend will be split equally between the Friends of All Saints Church and SSAFA (Soldiers Sailors Airmen's Families Association – the only military charity to have provided assistance to needy Service people and their Families during WW1, enduring to this day).

## Our Living Churchyard

The work on the lighting on the paths around the Church and Church Hall, including new sensors and LED lights, has been completed so when you enter the Church grounds lights will come on. This improves the safety of access to our buildings.

We will be meeting Pete and Tracey Scott of Devon Growing Together – a small organisation that has an interest in the practical work associated with the Living Churchyards programme in Devon and Cornwall as well as an active interest in Green Care and community development. We will see what they have to offer as well as gleaning ideas for our community and Churchyard.

## Churchyard Working Party

In September, we had 16 volunteers for the Churchyard Working Party – the hedge at the back of the new churchyard was cut, borders were weeded and tidied, weeds were cleared, vegetation cleared from handrails, and many other tasks were completed - thanks to all of you who are helping to maintain an attractive environment around the Church and Church Hall.

The Churchyard Working Party will meet at 10.00 by the shed at the back of the old churchyard on Friday: 16 November; and 21 December.

Tools are provided. There are light and heavier jobs to suit all – everyone is welcome to come and help. We stop for coffee, biscuits/cake and a chat at 11.00, and finish between 12.00 and 13.00.

You do not have to work for the whole time – whatever help you can give will be greatly appreciated.

If these dates do not work for you and you would like to help out in some way at a convenient time, please contact us and we can sort something out.

## Devon's Best Churchyard Competition 2018

The Campaign to Protect Rural England (CPRE) Devon organised a competition to determine 'Devon's Best Churchyard' – we will have representatives at the prize giving ceremony in South Tawton on Saturday 10th November and we will find out how we did.

## Budleigh Salterton Reserves beaten at home by East Budleigh

The close rivalry between Budleigh Salterton Reserves and East Budleigh First team resumed after a few years, with the two teams this season contesting for points in the Macron Devon and Exeter League Division Three, writes SpursTom.

From their respective league table positions it is plain to see which of the two are having a successful season so far.

East Budleigh arrived at Greenway Lane knowing that the home team will be wanting to cause an upset, especially in a local derby.

Kicking downhill with the wind at their backs in the first half, several times the Robins ran the show, but were unable to take advantage of the opportunities presented to them.

Unfortunately, they were made to rue not taking their chances when, just after the half hour mark, they failed to clear a corner and Daniel Atkinson headed home, giving East Budleigh a 1-0 half-time lead.

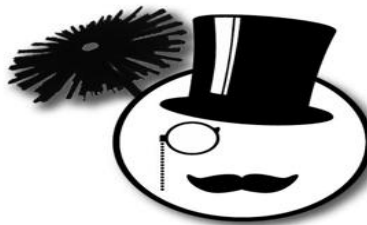

Within two minutes of the start of the second period the home side were awarded a penalty that Alex Wicks drilled past the Jays' goalkeeper Mark Bown to equalise.

Budleigh ought then to have gone 2-1 up, but they made a mess of the final pass and, once again, they were made to pay when East Budleigh substitute Liam West scored in the 66th minute.

The outcome of the contest was put beyond doubt with two goals for the visitors between the 76th and 80th minutes, firstly from by Liam Matthews and then from George Harris firing past Simon Savage in the Robins goal.

Regardless of how well East Budleigh may have played, hesitancy and too many misplaced passes by Budleigh Salterton led partly to their own downfall, and a 4-1 defeat.

It gets no easier for Budleigh Reserves, for next Saturday they travel for their next league game to Exeter-based Winchester against whom they were dumped out of the Devon Senior Cup last month.

# East Budleigh Community Shop

## Newsletter Number 107 - November 2018

### CELEBRATING TEN YEARS!

We had an excellent buffet lunch last month to thank our dedicated volunteers for all they have done to ensure our success in our first ten years. It was a great privilege to be able to present awards to those volunteers who had completed a full ten years of service. To those who were not able to attend, our sincere thanks for enabling our shop to thrive and provide such a friendly community service.

Mel Ferrers and Anne Davies, our managers who have done so much to build a friendly and effective team, organised the event with some great helpers. We also enjoyed looking back over ten years to our humble beginnings in the old Portakabin, and seeing how the hard work and imagination of the original committee members has borne fruit.

### CHRISTMAS NEWS

**2019 Wildlife Calendar** - in the shop now, with fabulous pictures taken by our celebrated local photographer, David White, supported by local sponsors. For only £6, the calendar makes a wonderful gift.

**Charity Christmas Cards** - we are delighted to be supporting Stallcombe House again, selling their cards directly to you. 100% of these sales goes to this local charity and the wonderful work that they do providing residential accommodation and a place to work and develop for adults with learning disabilities. They are based nearby in Sanctuary Lane, and we know that these cards will raise significant funds for them.

**Local Craft Gifts** - we have a lovely selection of handmade slate products from Joe Kerley which are priced very reasonably. Part of the money from Joe's slate products goes into the Friends of All Saints Church fund. Lovely to support both a local craftsman and the local church!

**Tumps Honey Gift Sets** - we are thrilled to have a limited supply of honey based gift sets from Tumps Honey of East Budleigh. You can choose from £5, £10 or £15 bags which contain a selection of products including honey, honeycomb, honey spoons, beeswax and beeswax candles. They are really delightful and we think that they will fly off the shelves as Christmas gifts from a very local producer. Because of the limited supply we are going to ask that we share the honey-love and will restrict sales to one per customer to begin with.

**Turkey, Ham and all the trimmings** - Arthurs Butchers, Topsham, will again be taking orders for fresh turkey, ham joints, sausage meat, sausages and any other festive meat products you could wish for. Phone or call into the shop and we will arrange for it all to be here for you to collect on Christmas Eve. Fantastic products, highly recommended! Prices will be available shortly in the shop.

**Christmas Carols** - a date for your diary – carols at the shop from 6.30pm on Monday 17<sup>th</sup> December.

## Friends of All Saints

The Committee met on 24 September and discussed the forthcoming events in 2018, the 2019 Scarecrow Festival, and other events in 2019 including “East Budleigh’s Got Talent”. Charles Abram and I met with Dana Mulligan, PR & Marketing executive, and have secured sponsorship from Gilbert Stephens for next year’s Scarecrow Festival – this will cover the cost of the posters, the A5 flyers, the programmes and the venue trail and prizes.

At the time of writing this (11 October), there are four events supported by the Friends to come but, by the time you get this Parish News, three will have taken place! All being well, we will have had three very interesting and different evenings: Devon Voices presenting “Sir Walter Raleigh – his life portrayed in words and music”; Bickton College’s “Face Your Fears” with all those animals!; and Ian Blackwell’s talk “East Budleigh in the Great War - those who served”.

The last Friends-supported event in 2018 is the Devon Voices' Christmas Concert in the Church at 19.30 on Friday 7th December organised by Chris and Sue Teuten. The ticket price of £10 includes refreshments in the interval.

We are hoping for a huge turn out as this will be the last Devon Voices’ Christmas Concert as Chris Teuten will be ‘retiring’ after 13 years of organising Devon Voices and performing!

The next Friends’ Committee meeting will be on Wednesday 28 November so if there is anything that you would like us to do / try, please let us know: e-mail: [foaseb@outlook.com](mailto:foaseb@outlook.com).

### Friends' Information

Information about the Friends and brief updates are on the All Saints Church website - see: [www.raleighmissioncommunity.org.uk/friends-of-all-saints.html](http://www.raleighmissioncommunity.org.uk/friends-of-all-saints.html).

## Village Hall Matters

A pretty bleak day out there as I put a few lines together as an update for November for the Village Hall.

As a relative new comer to the village I am constantly impressed by the enormous degree of community spirit that exists. Just looking at my diary I have enjoyed the Wine Quiz and Tasting evening recently held in the Church Hall. I am looking forward to the Devon Voices and a celebration of Sir Walter Raleigh tomorrow evening and of course the next big event for the Village Hall is the live performance by Fred's House as part of their Careless Tour.

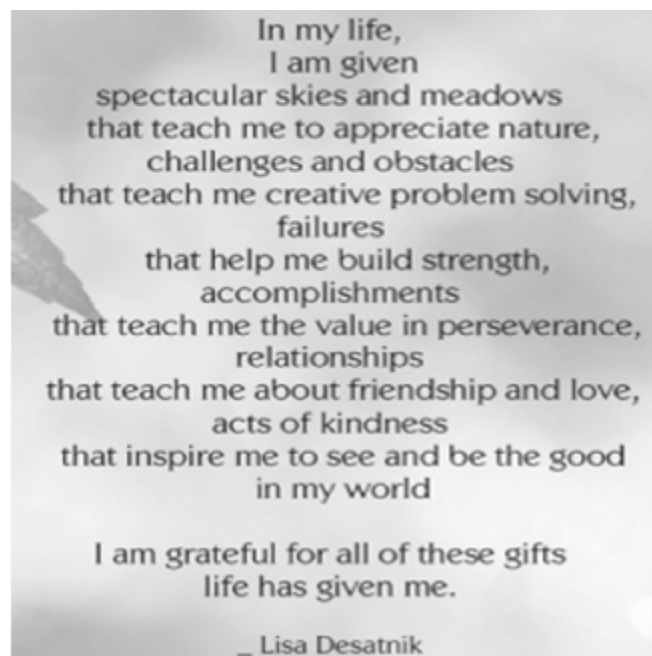

This promises to be quite a night and with a nod to the community spirit, I am delighted with the nearly sell out of tickets for their performance. Thank you to everyone who has supported the Village Hall by buying tickets, I hope this function will be the start of several more over the coming months. In advance of Saturday 20th October can I thank my fellow Trustees (and their partners) for their roles to date in getting this social event off the ground, and for their involvement on the evening, and probably later that night in pre-paring the hall for the birthday parties being held on the Sunday!!!

On to other matters: The Village Hall is pleased to support the Parish Council in the installation and training on the use of the defibrillator now in-situ at the Village Hall. For anyone interested please take up the invite to appropriate training set for Tuesday 20th November at 7.30pm.

A final date to mention, the next Trustees Meeting is set for December 4th at 7.00pm in the Village Hall. This meeting will be a joint meeting with the Committee which to date is made up of interested parties in the Village representing many of the stakeholders. I intend the meeting to be of an open nature when the Trustees will discuss their agenda items and then hear from any of the committee representatives. Invites to these representatives will be sent out in good time before the meeting but should anybody from the Village be interested, then please come along. As Trustees we are always looking for suggestions on the use of the Hall, of future social events and for comments and feedback on the manner in which the Hall is being promoted for the benefit of all.

In the meantime, back to my diary of events.

Chris Dearsley: Chair:  
Village Hall Trustees.

## 'BROWN MONEY' FOR CHILDREN IN NEED.

You may remember that in March I asked you to start putting aside your spare 1ps and 2ps for the Children in Need appeal in November. I am sure there are now piles of coins waiting for me!

The Shop have been brilliant and as I write £139.72 has been collected in the pot on the counter and £57.06 from personal collections. What has also been tremendous is that Valerie Lister, Chairman of our Parish Council donated the contents of the Wishing Well in Bicton Park. The time spent cleaning and sorting the coins was well worth it (no pun intended) as the total was £629.31!!

I have given the details of our efforts to the BBC and you never know, a film crew may have been alerted.....!

Some of you may have seen David White on Countryfile on Sunday 30th September - we asked David for his memories of the day .....

A day I will remember ...

Jane and I were asked to be at Bystock pools by 8am, where I was to be interviewed, on camera, as one of the selected finalists in this year's Countryfile Calendar Competition. We arrived in good time and were introduced to a team of five people including John Craven. He would be interviewing me. John was helpful and friendly throughout the time we were there. He was good at explaining what was planned each time we prepared for another scene. He did, however, choose to spring an unexpected question at me from time to time. It was one such occasion when I realised I would need to show and use my camouflage mask to clarify the point I was making. At that time, I was unsure who was more surprised – me at the question or John at my response.

It was quite early in the interview John also sprung on me the surprise that I had won the Judges' Choice award for this year. It's hard to explain just how surprised and delighted I was at that time.

John then asked about how my interest in wildlife arose. He was also keen to know what sightings I had seen where we were at Bystock pools. He next asked me about other local places I visited. I told him that I frequently visited the River Otter. Beavers, otters, kingfishers and water rail were among the many species of wildlife I had seen there. During all this time I had assumed that we were adding information to the main event, which was being chosen as the Judges Choice on this occasion.

Suddenly, and without warning, John said that he had another surprise for me. He was delighted to tell me that I was also this year's overall winner chosen by the voting viewers. My initial reaction was that I must have misheard what he had said! Very quickly I came to realise the true purpose of their visit and that all the previous activity had been building up to this moment. I have no clear recollection of the next few minutes!

John then asked what advice or tips I could give to viewers who might be interested in entering their future photography competitions. I answered almost on autopilot. I now realise I should have mentioned the word "luck". Then stressed that when luck happens; you make certain you don't frighten or stress any wildlife creating a golden opportunity. In addition, it's no time to start thinking about how the camera works! Be very familiar with the relevant settings, in order to capture the best possible images with the available light at that time.

Finally John told me he had one further surprise for me, a framed photograph of my winning image. At that point, he asked Jane to join me, and we shared what I can only describe as "My Magic Moment"!

## GARDENING

### Testimonials

Is the garden getting too much for you? Well, there's no need to worry or sell your house. Just send for Tom and your garden will be transformed.

**Denis and Diana (an elderly couple)**

Thanks Tom, the hard work from you and your team coupled with your expert knowledge and ideas is transforming "Seaway" from a rather nice garden to something stunning that we know we will enjoy for many years.

**Dorothy & David, Exmouth**

'I have no reservation in recommending that if anyone has a jungle which they want transformed into a garden, then these are the people to do it.'

**P.W Frewn- Smith, Exmouth**

'We employed Plantation Gardening to dig out and replace an old hedge with a new beech hedge. Tom did a thorough and professional job, on time and on budget. We would definitely use Plantation Gardening again.'

**Ken and Tina Garrod, Budleigh Salterton**

## East Budleigh with Bicton WI - October 2018 meeting report

Our secretary Betty welcomed everyone to the October meeting in the Presidents absence. This is to be her last evening with us as she is moving away from the area, Betty will be greatly missed. We sang Jerusalem, followed by the speaker for the evening.

The talk for the evening was "Beavers on the river Otter", by Mark Elliot from the Devon Wildlife Trust. When it was realised there was a population of beavers, of unknown origin, living on the river Otter the government wanted them to be removed. The Devon Wildlife Trust proposed a five-year trial to monitor the beavers' effects on the landscape. This was approved by Natural England in February 2015 on condition that the beavers were shown to be healthy Eurasian beavers and free of non-native diseases. Following the test results, the beavers were re-released on the River Otter in March. The beavers have increased in numbers and there are now 6 families, and they have spread to others areas of the river Otter. They have to be monitored constantly to ensure they don't leave the river Otter or cause any problems. This was a most interesting talk prompting numerous questions from our members.

Updates followed from our usual groups including craft, walking, swimming and skittles.

The next meeting will be on November 13th and the talk will be "Wine tasting" by Sidbury Vineyard. The WI meets on the second Tuesday of the month 7-9pm at East Budleigh Village Hall. New members are always welcome, come along as a guest and enjoy an evening of fun and friendship.

"After several months, the defibrillator is now in place on the Village Hall wall opposite the Community Shop and training has now been arranged. It is essential that as many people as possible are familiar with the correct use of this life-saving equipment. I am informed that it is easy to use with clear instructions available.

Training will be demonstrated by a suitable person on  
**TUESDAY, 20<sup>th</sup> NOVEMBER AT 7.30pm IN THE VILLAGE HALL.**

We hope that as many residents as possible will make use of this opportunity - a life might depend on it!

## Looking after the heath for people and wildlife

Since 1930 when the heaths were dedicated to the public for ‘air and exercise’, the seven commons owned by Clinton Devon Estates have been used by both local people and visitors to East Devon for that purpose.

Over 60km of trails cross the East Devon Pebblebed Heaths offering varied terrain whether on foot, bike or horseback. The Pebblebed Heath Conservation Trust who have managed the site since 2006 encourage all visitors to understand and respect the sites’ ecological and cultural heritage features. There are a few simple guidelines such as taking litter home, not camping or lighting fires but now three new codes of conduct have been developed by the PHCT in partnership with the RSPB, Devon Wildlife Trust and the South East Devon Habitat Regulations Partnership with input from the local dog walking, mountain biking and horse-riding communities

As land managers we have a legal obligation to ensure that activities taking place on the heaths are regulated to ensure that the wildlife and habitats of the Commons are not adversely impacted and to avoid problems with other users. We are delighted that sixteen local dog-walking businesses have obtained licences to operate on the heaths, understanding our need to ensure responsible, sustainable use that is in line with our conservation objectives. They all hold public liability insurance and will uphold and promote our Pebblebed Dog Code. Visit [www.pebblebedheaths.org.uk/your-visit/](http://www.pebblebedheaths.org.uk/your-visit/) to see if your dog walker is one of them. Individual dog walkers don’t require a licence. However, we hope they will follow the Dog Code too.

Many people also enjoy exploring the heaths on horseback or on bicycles. ‘Love to ride, love the heath’ is the headline message for two more codes to compliment the success of our Dog Code. The Pebblebed Bike Code and Pebblebed Horse Code have been developed by the Pebblebed Heaths Conservation Trust, in partnership with the RSPB, Devon Wildlife Trust and the South East Devon Habitat Regulations Partnership with input from the local mountain bike and horse-riding communities.

Areas such as the scheduled monument at Woodbury Castle should only be explored on foot, but mountain bikers still ride over the earthworks of the external ramparts. Some areas are particularly sensitive to damage and erosion, so following the Pebblebed Bike Code will help keep them in good condition for all to use and enjoy far into the future.

Car parks and track repairs undertaken periodically. The nature of the underlying geology and restrictions about the materials we can use, mean that some improvements only last a few months, at best, before the surface settles and ruts and puddles reappear.

The grenade range on Colaton Raleigh common is also undergoing maintenance. Stone on the impact area has been removed, to be replaced next month. After the work is complete the Royal Marines will be able to resume training in the facility. The work is arranged by the MOD but impact on the heaths will be monitored by the PHCT. The waste aggregate will not be going to landfill as Clinton Farm Partnership have agreed to take this material, for track improvements of their own.

## *East Budleigh in Bloom*

'With night coming early,

and dawn coming late,

And ice in the bucket and frost at the gate' [Elizabeth Coatsworth] ...

Be sure to get those Tulip bulbs in and huddle the terracotta pots together to keep them cosy. Rake leaves from the lawn and pop them on the flower bed soil to rot so worms can pull them under.

Don't forget to feed the birds and protect the Hedgehogs.

The Bloom team and our wonderful volunteers have all been busy getting the containers and beds ready for spring. Daffodil bulbs have been planted with new additions of Wallflower plants so there should be a riot of colour on display.

It's now time to retreat to the warmth of the fireside for a spot of hot tea and crumpets. After all, that's what makes winter enjoyable.
