### **View from The Vicarage**

In April we celebrate the central belief of the Christian faith – the death and resurrection of Jesus Christ. That something wonderful could emanate from something so dark and sordid provides us with a template for living our lives. We can describe it as Light shining in the darkness, Life triumphing over death or Good winning out over evil but how does that help us deal with the tragedies that life inevitably throws at us? It means first and foremost that there is no situation so dark, no tragedy so terrible, that when all seems lost that light cannot eventually shine out of a situation.

I speak from experience. When my wife of 25 years died, everything seemed dark and empty. But by the Grace of God light did eventually shine even out of that darkness. The greatest gift that Christians possess is hope. Not “pie in the sky when we die” but a living hope that inspires our present and enables us to live our lives with a sense of purpose, meaning and courage. We never lose hope because of what happened 2000 years ago in Palestine.

#### **OTTERTON PARISH COUNCIL**

The term of office for the Parish Council comes to an end in April and several of the long serving Councillors are standing down. If you are a resident of Otterton and feel passionately about our beautiful village then please consider standing. Nomination forms are available from the clerk; please email on [clerk@otterton.info](mailto:clerk@otterton.info) for more information or to request a nomination form.

Bicton Bridge - The Footpath Warden and Parish Council are currently in discussion with Devon County Council to try and speed up the replacement of the bridge which has now been out of use for some time. Several options for lifting the new 10.5 tonne structure into place are currently being considered, all of which carry an enormous cost and have been hampered by difficult ground conditions. Hopefully as the weather improves this matter will be expedited and the Parish Council apologises for the ongoing inconvenience and urges walkers not to use the old structure which is unsafe.

The next Parish Council meeting takes place on 1st April at 7.30 and the Annual Meeting takes place on 23rd April in the Village Hall at 7.30; do come along and see if you would like to join us - you will receive a warm welcome.

### **OTTERTON COMMUNITY SHOP UPDATE**

After a good start to 2019, the Shop is looking forward to welcoming both regular and new customers for the first of the seasonal breaks at Easter. Have you paused to look round our shop recently? There are lots of new products on the shelves as well as cream from a local dairy and a new range of frozen ready meals. Coming soon will be some additions to our wine shelves from a new supplier. Are you one of the many keen gardeners in Otterton? And do you sometimes have surplus fruit and vegetables? Home-grown donations are always extremely popular with our customers! There are various 'behind the scenes' tasks that the shop team would value support with, ranging from word-processing to admin, cleaning and maintenance jobs. Some would take around an hour a week and others less frequently, so if you think you could help, please ask Valerie, our Manager, for more information.

### **NEIGHBOURHOOD PLAN**

The first draft of our neighbourhood plan has now been submitted to the East Devon Neighbourhood Planning Team for a health check. The team will advise whether or not it meets the basic conditions and we will address any concerns they have, prior to the commencement of the pre-submission consultation period. The pre-submission consultation period will last for at least 6 weeks, during which time everyone who lives, works or runs a business in the parish will be made aware of the consultation start and end date, where the plan may be viewed (both location and online) and how to comment on it. Your feedback will be important in this process. We will also make the plan available for the statutory consultees, for example the Environment Agency, Natural and Historic England and any other interested parties. For those of you who do not wish to read a lengthy document, we intend to produce a concise leaflet that will set out the main aims and the focus of the policies in the plan.

## **JUMBLE SALE, EAST BUDLEIGH VILLAGE HALL**

**A BIG THANK YOU** to everyone who supported our Jumble Sale on Saturday 2nd March which was in aid of OPEN DOOR EXMOUTH. We made an incredible £400 plus filling many bags for the Bags2School scheme which will produce funds for the Raleigh Federation and providing Bric a Brac for many of the local charity shops. We hope to run a jumble sale every term supporting local charities and the Raleigh Federation and our next one is scheduled for 1st June. Thank you all for your help from the former Little Otters Team.

**EAST BUDLEIGH CHESS CLUB:** East Budleigh had a fine win recently in a thrilling match against their old rivals, Sidmouth, in the championship section of the Exeter and District Chess League. The club captain struck first with an attack against his opponent's King which he could not repel. Mike Lee soon followed with an imaginative win on bd 4 against an opponent he has played many times before. Sidmouth hit back as Barbara Newcombe on bd 3 found her Sidmouth player too hot to handle in a long tricky Knight ending in which she was two pawns down. She made him work hard for his win and was unlucky not to draw. So it came down to Jonathan Waley on bd 2 to seal the victory against an opponent who to no avail played on in order to try and stop a Sidmouth defeat. Final score 3-1 to East Budleigh. The next club night is on **Thursday 11th April** at 6.50pm at the All Saints Church Hall, East Budleigh. For more information please contact Brian Gosling by email at [brigosling@aol.com](mailto:brigosling@aol.com) or by phone at 01395 442060.

## **THE LOOKOUT FROM LADRAM – from Carla Newman, Marketing & Events Manager**

After a very successful team conference with guest speaker Exeter Chiefs Director of Rugby, Rob Baxter, we're pleased to confirm Season 2019 has started well. Over 90 team attended the motivational day, the vast majority of employees local to Otterton and the surrounding areas. It has been wonderful to welcome many new local faces into our 5-star team. We've still some job opportunities available within the Three Rocks Complex, Housekeeping department & Reception for the season – simply drop in your CV in or contact [lisaspickett@ladrambay.co.uk](mailto:lisaspickett@ladrambay.co.uk) to be considered.

The winter of 2018/19 has seen a much-improved conservation effort on park with the addition of extensive tree planting & creating new native hedgerows. Always proud to maintain our Gold Accolade from David Bellamy and Honey Bee Pledge, we are sure our recent improvements will no doubt be appreciated by many.

Swimming with the family? Don't forget parking is free of charge after 3pm for all guests Monday-Friday within the off-peak season. Prices to swim will remain at the 2018 rates - adult £4.95 and child £3.95, under 3's free. Otterton residents are also eligible to receive free weekday parking (excluding peak season) - simply pop in to reception with proof of your address to collect your locals pass. Whilst we welcome guests from the local area, for safety reasons, we would kindly request that all children under the age of 16 have a parent or guardian present on the park at all times.

Thank you for your understanding and support with regards to our Holiday Home movements; our main hire fleet is now in place for 2019. Any further deliveries or collections for the season will be published on the Friends of Otterton Facebook page and the Otterton residents website.

*HISTORY OF OTTERTON.....Did you know?*

Before the Second World War started in 1939, the Ladram Bay Holiday Park had been leased to John Palmer of Budleigh Salterton. On the outbreak of the War, Army Authorities requisitioned the camp site, charging Mr Palmer a token rent. It became derelict and Mr Carter at Sea View Farm was given permission to grow crops on it. At the end of the War, Mr Palmer took over the lease again. Mr Carter eventually took over the Holiday Park lease from Mr Palmer in 1953. (See Otterton,Devon/History Website)
