A winter evening of good cheer – ALL WELCOME

View from The Vicarage

Dear Friends, watching the "open the book" team bring a Bible story to life to the children of Otterton School in St Michael's church was a heart-warming experience. It seemed to sum up all that is good about village life; the sense of us all being in this together, ready to help each other if we can; to learn from each other and teach each other where we can. In shorthand we call this "community" and St Michael's has always been at the centre of this community. If you live in Otterton, you are already a "parishioner" of St Michael's church whether you were aware of it or not.

This is your church and it exists for the benefit of all who live here. This sense of being a community asset comes from our belief that the love of God extends to all creation, so we believe that Jesus is for all people at all times.

As 2019 slowly but inevitably wakes from its Winter slumber, you can be sure that your church is praying for you and wishes you every blessing for the coming year.

So a belated Happy New Year to you all.

Your Vicar, Martin

OTTERTON PARISH COUNCIL

The Otterton Parish Council is in need of several new councillors as places have become vacant due to work commitments and other issues. We would like to thank Cllr Ian Simpson for his work on the Parish Council both as Chair and a long-standing member of the Council and thank him for his offer of ongoing support although due to work commitments he cannot continue to serve as a Councillor.

If you have a passion for Otterton Village and the surrounding countryside and you live in the Parish, the Parish Council would love to hear from you. No particular qualifications are necessary other than an ability to regularly attend meetings (which are held once a month), take on an area of responsibility for the Council which is not onerous, and communicate the views of other residents as you understand them on matters which entail the spending of public funds.

If you are interested please do contact the Clerk to the Parish Council in the first instance at clerk@otterton.info We look forward to hearing from you. The next Parish Council meeting will be on Monday 11th February at 7.30pm in the Committee Room at the Village Hall.

OTTERTON COMMUNITY SHOP UPDATE

Although it is only the second month of 2019, we are planning ahead to ensure we continue to provide a good range of well-priced goods to meet the needs of all our customers. Next on the agenda is Valentine's Day – check out the new additions to our popular range of cards. Once the worst of the cold weather is over we will be re-introducing our fantastic selection of garden plants.

Are you one of our shareholders? If not, please think about becoming one; details and application forms are available in the Shop. Our shareholders are a vital part of our community-owned enterprise which has the sole purpose of providing an essential service for every inhabitant of Otterton.

OTTERTON FILM CLUB

The next screening by Otterton Film Club will be on Friday 8th February at 7.30pm (Doors open for the purchase of wine and snacks at 7.00pm). The film, as voted for by the members, will be "King of Thieves" starring Michael Caine and Jim Broadbent (Certificate 15). "*A true crime film about a crew of retired crooks who pull off a major heist in London's jewellery district.*" Entry for members £2, non-members £6. Annual membership £20 for individuals or £30 per couple – application forms available from the Community Shop.

NEIGHBOURHOOD PLAN

The first cut of the Otterton Neighbourhood Plan is now progressing well, to the point where we expect to be able to release it for consultation in the village in mid-February. 13 of the 40 Neighbourhood Plans being produced in East Devon have now reached the finish line (i.e. 'made' = approved in the parlance) and form part of the development plan set that EDDC planners must use when determining planning applications. We hope to join the 'made' ranks later this year!

Last October we mentioned an item on Crantock in Cornwall (where Cornwall Council had granted permission for a significant number of homes beyond that identified in the Neighbourhood Plan and contrary to its policies). The Parish Council there had lodged a request for judicial review of the decision. Unfortunately they have now been refused, and so at this stage the development will be going ahead. This is disappointing as it seems to go against the whole point of Neighbourhood Plans. However, in other areas of the country there is good evidence that Neighbourhood Plans are being used in the intended manner.

If you have any queries about the process or the subject in general, please contact us at OttertonNPSG@gmail.com or on 07940 529807.

THE KING'S ARMS – What's on in February

The pub Quiz will commence again this month, starting with the first Quiz of the year on **Wednesday 6th February.**

Work is continuing on our facilities upgrade here at the Mill and we thank customers for their continued understanding and assistance with the project. Our temporary food shop is located in the Courtyard Mill Studio; this will be transformed after the main works to a coffee and fudge shop.

OTTER CYCLING

This is a group we have recently started and are hoping to continue each month through the year. The purpose of the ride is just to experience some of the wonderful countryside around Otterton, to have some time to talk, and to have the opportunity to connect a little with each other, our bikes and the surrounding communities.

Each month we will be arranging a short, gentle ride around the lanes and bridleways of East Budleigh, Otterton and Budleigh Salterton, calling in at Otterton and East Budleigh community shops on the way. We'll also be stopping somewhere during the trip for a drink, a bite to eat and more opportunity to talk.

If you'd like to know more or would like to join us on our next ride just email us at ottercycling@gmail.com Do please let your family and friends know about this as well. Thank you.

HISTORY OF OTTERTON.....Did you know?

In the 1920s and 1930s beer was transported to The King's Arms from Sidmouth to Otterton by dray horses and cart from Vallance Brewery in Sidmouth who ran the 'pub'. To tackle Peak Hill, 3 horses were used. On the level, 2 horses pulled the dray with the third tethered behind. He was brought to the front to ascend the hill and brought to the rear descending. The dray would be carrying 4 barrels of beer and 2 of cider (40 gallons in each barrel).
